## Capital In Mock A-Attack

Alert Touches Off Great Three-day Test of Executive Function in Raid

WASHINGTON (AP)—Sirens screaming warning of impending atomic attack sent President Eisenhower and 15,000 other officials scurrying today for hideouts scattered in a 300-mile arc about the capital.

The mock warning touched off a great, three-day test of how the executive branch of the government could function in event an enemy actually did rain death and destruction on Washington and 48 other major cities of the nation.

Congress took no part in the exercise.

"Operation Alert 1955," as it was designated, contemplated that the officials would have three hours and 20 minutes notice in advance of the theoretical attack.

The time schedule: 12:05 p.m.—warning.

3:25 p.m.—Washington hit.

3:25-3:45 p.m.—Major cities hit. The big question was: Could the President and his Briefcase Brigade, embracing key workers from 31 agencies, get out of town and swiftly take up, through emergency communications, the grim business of reorganizing the shattered nation and striking back at the enemy?

Eisenhower, promptly at the first sound of the siren, grabbed his hat and walked hurriedly from his office to an automobile which sped away for his secret relocation center.

Five other cars were in the presidential motorcade. Riding with Eisenhower were Fred A. Seaton, deputy assistant, and Gerald Martin, special counsel.

Fourteen big helicopters took off at the Pentagon carrying virtually the entire top military command.

Before boarding his "copter," Secretary of Defense Wilson stopped to read a prepared statement for television and newsreel cameras.

In the statement, Wilson said that about 1,000 people from the Defense Department and the armed services were leaving to proceed to various emergency relocation sites. Most of them traveled via automobiles.

During the drill, Wilson said, "the Joint Chiefs of Staff will confer on military measures to be taken to handle the assumed military problems."

In theory, the first warning was to catch the capital by surprise. But the planned exercise had been well publicized since March. So the start of the exodus from Washington had sidetracked which detracted from the atmosphere of realism.

Some of those who were to "flee" came to their offices with packed overnight bags. There were those who, uncertain when the next meal would be available, got in early lunches.

Arriving and regrouping at the emergency sites this afternoon and tonight, a dispersed government will deal on paper with the awesome task of reorganizing a stricken nation while waging a retaliatory atomic war.

## Murder, Inc., Leader Taken to Penitentiary

NEWARK, N. J. (AP)—Albert Anastasia will be taken by plane today to Milan, Mich. federal prison to begin serving his one-year term for income tax evasion, federal officials said.

The reputed former "lord high executioner" of the Murder, Inc. mob, will be accompanied by U.S. Marshal Joseph Job.

He was sentenced after entering a surprise plea of guilt to the charges in federal court at Camden last month.

## Extend Fullbrights

OSLO, Norway (AP)—The United States and Norway announced today they have extended their Fulbright Act Student exchange arrangement for another five years.

## Where's That Shade?

The rush for cool drinks and fans is on again as a clear sky lets the sun's heat beat down once more.

Generally fair, little change in temperature tonight and Thursday. Low tonight near 55; high Thursday.

The temperature at 7 a. m. was 52; 78 at 1 p. m., and 80 at 2 p. m.

The temperature one year ago today, high 85, low 70, with .41 inch of moisture; two years ago, high 95, low 79; and three years ago, high 99, low 75.

Stage at Lake of the Ozarks 35.9; rise .1 foot.

## Special Session Is Held—City Council Lets Contracts For Downtown Area Paving

The City Council passed final ordinances to let the contract for paving seven downtown streets with hot asphalt mix at the special session last night after bids were opened on the work.

Low bidder was the Schroeder Construction Co., St. Joseph, bidding \$7.94 per ton on an estimated 4,000 tons of hot mix. Schroeder expects to be able to start work by July 5 and will begin setting up in a few days.

The streets to be paved are:

## Mock Atomic Attack Alert Fizzles Here

SAFB Dependents Stay Put Rather Than Try Evacuating

"Operation Alert, 1955" at 12:30 p.m. Wednesday afternoon was a fizzle, with only a handful of Sedalia Air Force Base dependents reporting to the Community Center in Warsaw.

The operation began at 7:15 Wednesday morning when the base was alerted by the Wing Control, who also called key families in the various towns where air base dependents live.

The dependents in turn had a list of calls to make to others before loading the required articles for the evacuation, collecting their car pools, and leaving for Warsaw, if they lived east of the base, or Clinton, if they lived west.

The first car arrived at the Warsaw center about 11:15 and there were no more until about noon when two more cars pulled in. One woman said she had been notified by the base about 11 a.m. Others said they heard the alert through other channels.

The handful of women formed a circle, church social style, and exchanged news while the children romped over the bleachers and gymnasium floor at the center.

Upon their arrival, the evacuees were registered by 2nd Lt. Donald Williams, Base Education Officer. Sedalia police were notified of "Air Alert Lemon Juice" at approximately 10:14 and other police and the highway patrol were alerted for the traffic which did not materialize.

The alert was held to educate the dependents on the procedure necessary if an atomic or hydrogen bomb fell on the Kansas City area, in which case there would probably be a deadly radiation fallout in the air base area.

Air Base personnel were not notified as to when the alert would end. The evacuation was not mandatory but dependents were impressed with the importance of learning the procedure in the event of an enemy attack. They were given a list of emergency provisions and equipment to bring with them to the center.

## Railroad Brotherhood Against Affiliation

ST. JOSEPH (AP)—The Missouri Brotherhood of Locomotive Firemen and Enginemen went on record today as discouraging, for the present, the proposed affiliation of the national railroad brotherhoods with the new organization now being formed by combining the membership of the A.F. of L. and the C.I.O.

The action took the form of a resolution passed at the final session of the 50th annual state convention.

The members expressed concern over recent reports that the railroad operating groups were considering such an affiliation.

The association elected five officers and three trustees to serve for the coming year. These are J. R. Dickson, New Franklin, chairman; R. J. Utterback, Hannibal, first vice-chairman; J. C. Roberts, Moberly, second vice-president; A. I. McNeal, Marcelline, secretary and treasurer. Serving as trustees will be C. O. Griffiths, Slater, as chairman; John Roach, Eldon, and H. G. Hinkle, Springfield.

The 1956 convention was awarded to Hannibal.

## Kroencke Concert Tonight at 8 P.M.

Kroencke's Concert Band will present its weekly concert Thursday night at 8 p. m. in the Liberty Park band shell.

The following selections will be played: "Star Spangled Banner," Key; "Invercargill March," Lithgou-Laurendeau; "The Goldman Band," King; "Symbol of Honor," Skaggs; "My Hero" (Waltz song from "The Chocolate Soldier," Strauss; "Trombones On Parade March," Taylor; "Gloria March," Losey-Seredy; "The Merry Widow" selections, Lehar; "Chief of Naval Operations March," Lieut. Charles Benton; "The Billboard March," Klorer; and "May The Good Lord Bless and Keep Thee," by Wilson.

## German Leader Departs

Capital Officials Appear Reassured That Bid by Soviet Has Little Effect

WASHINGTON (AP)—Washington officials say goodbye today to West German Chancellor Konrad Adenauer, apparently reassured that Soviet blandishments have had no measurable effect on him.

One official who would not be quoted by name summed up this way the impression Adenauer is leaving as he flies to Boston:

"He's going to Moscow. He's not going until after the Big Four meeting in Geneva. He's not giving an inch to the Soviet push for neutralizing Germany."

Adenauer was asked at a press-radio-television reception yesterday whether he will accept a Soviet invitation to go to Moscow for talks about improving diplomatic and trade relations.

He said he "probably" will go and quickly added, "Such a trip, if it is to serve any purpose, must be prepared for and that takes time."

The July 18 opening of the Big Four meeting at the summit obviously will not give Adenauer the amount of time necessary for preparation before that date.

As if to discount fears in some quarters here that he and his fellow countrymen might be swept off their feet by a Russian offer to let Germany reunite if it would become neutral and repudiate the obligations just assumed under the North Atlantic Treaty, Adenauer over and over promised German steadfastness:

1. In a joint statement with President Eisenhower after their meeting yesterday: "It was confirmed that in their combined opinion the concept of neutrality is in no way applicable to Germany and that only in collective security arrangements can Germany assure its independence."

2. In his speech to newsmen: "I can assure you most emphatically—Germany will honor her obligations. . . . The neutrality or neutralization of Germany would in a relatively short time permit Soviet Russia to extend her power over all of Western Europe."

3. In reply to a question: "If there were a choice between reunification and NATO and we chose reunification, within a very short time this would lead to Germany becoming a satellite state. . . . We want Germany free and reunified."

In their joint statement, Eisenhower and Adenauer said they are "reassured that there is a very broad field of understanding between them."

Adenauer appealed to free world public opinion to "show great discipline" in what he said "may be a long period of negotiations" over East-West differences.

Tomorrow Adenauer will receive an honorary degree from Harvard University.

## Approves Increase In Appropriations For Sedalia Air Base

The House Armed Services Committee approved a bill Tuesday authorizing an increase to \$9,646,000 from \$8,996,000 for the Sedalia Air Force Base. Of this total, \$5,400,000 would be for housing.

This item was part of a total appropriation of \$2,368,698,000, of which \$13,909,000 would go to Missouri military installations and the rest to installations in Kansas.

## Judging Held in Afternoon—Girls Gather From Over State To Compete in Clothing Contest

Attractive young girls from 14 through 22 years of age are swarming over Bothwell Hotel today like busy little bees, 20 of them. But these girls have been busy for quite a long time now getting ready for their "Make It Yourself With Wool" contests, first the district and now the state contest, for this is the third annual Missouri "Make It Yourself With Wool" contest. All have been held in Sedalia at the Bothwell Hotel.

At 10 o'clock this morning the beautifully made garments of wool were judged in the Magnolia Room for workmanship and materials. The girls began to gather in the lobby of the hotel and stand around in little groups getting acquainted, because after all these girls are from towns all over the state and have never met before. They were waiting for 10:30 and a tour of the Town and Country Shoe Factory.

The hour for modeling instructions in the Magnolia Room was 1 o'clock and at 2 o'clock came the big moment, modeling for the judges for the next couple of hours to see who would win the free trips to the National Fashion Show in Ft. Worth, Tex., the third week in January, 1956. Two girls will win the grand prizes, one in the junior division and one in the senior division. The transportation for the trips to Ft. Worth is sponsored by F. W. Woolworth Co.

There will be many other nice prizes and in addition to the grand prizes in each division there will be a first and second prize winner in each division. The remaining juniors and seniors will be put in one class for a number of other prizes.

The contestants will be special guests of Midsale Committee at the banquet at 6 o'clock and at 7 will be the style review and award of prizes.

Joe Ruckick, manager of the Fox Theatre, will have the young contestants as guests of his theatre for the evening show at 8:30.

Each contestant was presented with a kit from the Sedalia Chamber of Commerce which contained maps, matchbooks, key chains and several other small items.

Sedalia florists saw to it that there were plenty of gift flowers for the girls, too, and just before modeling time the boxes were opened so that each might find the corsage that would go best with her costume.

Competing in the contest this afternoon were the following girls and the directors from their district:

Sikeston district, Mrs. Bernice Rogers, Matthews, director; Emily Simpson, Cape Girardeau, in the senior division, modeling a coat, and Margaret McCann, Cooter, in the junior division, modeling a coat; Farmington, Mrs. Perry Dillard, St. Mary's, director, Judy Ann Bergaues, Farmington, Route 2, ensemble, junior; St. Charles, Miss Arlene Meers, St. Charles, director, Patricia Harmon, senior, and Carolyn Meers, junior; Kirksville, Mrs. Herschel Crawford, Atlanta, Cartlene Patton, Kirksville, senior, dress, and Miriam Jean Hess, Kahoka, Route 1, junior suit; Columbia, Mrs. Eugene Wood, Eastwood Hills, Route 2, Columbia, LaVata Ann Phillips, Columbia, Route 3, suit, and Mary Lou Jung, Mexico, Route 5, junior suit; Mountain View, Mrs. Alden Duncan, Mountain View, director, Luella Ross, Mountain View, senior, suit, and Betty Jean Groggin, Willow Springs, coat; Springfield, Mrs. Guy Z. Akins, Springfield, Lulla Gjeruldsen, Reeds, senior, suit, and Pat Johnston, Jasper, junior, coat; Sedalia, Mrs. Albert Runge, Hughesville, Route 2, director, Elinor Van Dyke, Smithton, Route 1, senior, suit, and Dorothy Ann Johnson, Frisbie, junior. (Please turn to Page 6, Column 1.)

## Catholic Priests Expelled

Report Says They Are Placed Aboard Argentina Plane Leaving for Rome

BUENOS AIRES (AP)—Well-informed sources said today that two Roman Catholic prelates accused in connection with last weekend's disorders have been expelled from Argentina.

They are the Rt. Rev. Manuel Tato, vicar general and auxiliary bishop of Buenos Aires, and the Rt. Rev. Roman Pablo Novoa, canon deacon of the archdiocese.

Informed quarters said they were escorted to Ezeiza airport by federal police and placed aboard an Argentine plane which departed for Rome. Both are natives of this country.

They had been taken yesterday to police headquarters for questioning in connection with the disorders, in which more than a score were injured.

Shortly before they were taken into custody the government issued a decree designed to discharge them from their church posts. This invoked an old Spanish colonial law which gave secular authorities power to dismiss or suspend priests held to have violated their duties, the government said.

Early this morning federal police staged a series of raids on residences of parish priests, apparently seeking evidence to support the government contention that the clergy incited the clashes between supporters of President Peron and the church.

Unofficial reports said there were no arrests this morning, but that careful searches were made of priests' homes and some handbills defending the church in the controversy with President Juan D. Peron's government were seized.

A high Catholic source said it could be presumed they were "detained" but there was no official announcement that they had been arrested.

The decree against them, signed by President Juan Peron and members of his Cabinet, accused the bishops of instigating the disorders which swept the city over the weekend. At least 29 persons were injured in clashes between church supporters and pro-Peron crowds.

The order cited an old Spanish law, dating back to Argentine colonial times, as authorizing the government to oust church authorities held to have violated their duties. Under an agreement with the Vatican, the Argentine government nominates the clergymen from whom the Pope appoints bishops for the country's dioceses.

A high church source said, however, the bishops might be continued in office even though the government has withdrawn its recognition.

Catholicism is the state religion in Argentina but the Peron government is trying to end its privileged position.

In Vatican City, church sources said Argentine authorities would incur automatic excommunication if the dismissal order impedes the two prelates from continuing ecclesiastical functions to which they were appointed by the Pope.

## Newlyweds Leave Jail For Moniteau County

Sedalia's city jail honeymooners, Mr. and Mrs. Hyles Francis Whitney, who were picked up for investigation on bad check charges Sunday at their room in the Terry Hotel after their marriage on Saturday, were scheduled for release today at 3 p.m. to the Moniteau County authorities, where they will be taken for further questioning on check charges.

The couple was held in the city jail until a situation involving the trading of their car could be straightened out and local businessmen were given a chance to see if they had passed any checks in this area.

They were arrested Sunday after allegedly trying to pass a check at the Hudson Oil Co. on East Broadway.

## INSIDE STORIES

The American Medical Association opposes a program to have the government pay for polio inoculations for children up to age 19. The story is on Page 2.

Shopping centers are taking their toll, but stores in the downtown area are still continuing successfully. A summary of the situation is on Page 9.

U. S. Steel is almost ready to make its offer in answer to union demands for wage changes. A roundup may be found on Page 14.

RIOTS FLARE IN ARGENTINA—Argentine police search a workshop at the Metropolitan Cathedral in Buenos Aires, following weekend riots in the capital city where between 400 and 600 persons have been arrested in anti-Catholic moves by President Juan Peron. Peron is reported to be discussing with his cabinet new means of repression against the Church. (NEA Radio-Telephoto)

## Urban Highway Plan Discussed—Chamber Board Centers Its Attention on Highway Signs

Signs seemed to be the main thing at the meeting of the Chamber of Commerce board of directors Tuesday afternoon at the C. of C. office.

Carleton Kelley, director of the transportation and traffic division, told of the accident scoreboard to be erected at Highway 50 and State Fair Blvd., to show the number of traffic deaths and accidents in the city for the year.

Del Heckart, director of the civic division, told of the highway signs being planned by his division and of the attractive sketches that had been made by Pat Clark. These will be presented for the decision of the members of the beautification committee.

Kelley also told of members of his committee appearing before the City Council in interest of the Urban Highway Plan and of the special election for the \$250,000 bond issue which will be Aug. 2. He asked that the beautification committee, under the civic division, work with his committee in this urban highway planning, to which Heckart agreed.

Merle Vaughan, director of the farm marketing division, announced that the 4-H picnic for Chamber of Commerce members had been set for July 24. He told, too, of the 35 4-H members and leaders from seven counties, who attended the recent meeting in Sedalia on grading eggs and dairy products.

Vaughan reported on the dairy smorgasbord during Dairy Month which was attended by merchants and restaurant owners numbering 125.

Jack Faber read the report of Mrs. Marjorie Garanson, director of the membership division, in which she announced a total of 58 memberships for the year, 50 new members, two increases and six renewals. New memberships during the month are Eckhoff Dressed Poultry, Raymond Wilder, A. and W. Root Beer, Al's Drug Store, Dr. Charles D. Osborne, Mal O'Brien, First Baptist Church, Community Nursing Home, Missouri Bowl, Bing's New Super Market — two memberships and Thomas Pastry Shop.

George Dugan announced Appreciation Day Friday and Saturday, June 24 and 25, with bargains, free swims and other means of appreciation for the merchants.

Clinton Muller, public relations director, told of the report from Washington series and other radio and TV programs on the community that are being planned.

Others attending the meeting were Jack Shoemaker, Robert Johnson, Mike O'Connor, all directors; K. U. Love, president;

## Senate Approves Bill On Election Spending

WASHINGTON (AP)—The Senate Rules Committee, reportedly splitting sharply along party lines, today approved a controversial bill proposing tighter curbs on election campaign spending.

Chairman Green (D-R.I.) said the vote at the closed-door meeting was 5-3, but refused to say how individual senators had voted. Sen. Barrett (R-Wyo.) said the vote was "on strictly party lines" with the three Republicans present outvoted by three Democrats who held proxies from the two Democratic absentees. The committee has nine members.

The measure would extend tough federal curbs on presidential and congressional campaign spending to primary election campaigns and nominating conventions and caucuses. It also would allow the raising of bigger campaign funds.

## Weather Outlook For Fair Throughout State

KANSAS CITY (AP)—Generally fair weather prevails in Missouri.

And there is little in the forecast to change the picture except for some widely scattered thunder-showers expected in the extreme south portion this afternoon, tonight and Thursday.

After another night of lows generally in the mid-50s, Thursday's high temperatures are expected to range from 80 to 85 in the north to the lower 70s in the extreme south.

Rainfall during the past 24 hours included Joplin with .09 and West Plains with .01.

## News Flashes—

Judge, Wife Disappear—WEST PLAM BEACH, Fla. (AP)—Circuit Judge C. E. Chillingworth and his wife were reported missing today and sheriff's deputies said they feared a kidnapping.

Two Girls Are Murdered—WASHINGTON (AP)—Two teen-age girls were found stabbed to death today in a recreation park near their homes in suburban Lane Manor, Md., shortly before noon today.

## AMA Denies Need to Pay For Polio Shot

WASHINGTON (AP)—The American Medical Assn. today opposed as "completely unnecessary" a Democratic proposal to pay for the antipolio inoculation of all American youngsters up to age 19.

At the same time, the AMA gave only tepid assent to an Eisenhower administration plan to finance Salk vaccine for children whose parents are unable to afford it.

The AMA position was set forth by Dr. Julian P. Price, of Florence, S.C., in testimony prepared for the Senate Labor and Public Welfare Committee. Dr. Price is a trustee of the AMA.

The committee is considering bills to carry out the administration's plan, which would cost about 35 million dollars, and the Democratic proposal, which would cost an estimated 135 millions.

Reiterating AMA's stand in favor of the least possible federal involvement in the vaccine program, Price said the medical association is "not opposed" to the President's plan. But he said "we are not in sympathy with the purpose or program" as provided under the bill sponsored by Chairman Hill (D-Ala.) of the Labor Committee.

"We are convinced," Price said, "that the proposal outlined in S.1247 (the Hill bill) is completely unnecessary and will if enacted result in an unreasonable expenditure of federal funds and the possible impairment of state, local and voluntary programs which are already established or which are now being formulated."

Price told the senators existing laws are adequate to control the safety and potency of the vaccine and that voluntary agreements already in being are sufficient "to insure its distribution as rapidly as it can be produced to those groups whose need is greater."

He renewed a pledge that the medical profession's self-imposed priority plan aimed at getting the scarce vaccine first to the more susceptible 5-9 age group "will be followed voluntarily."

"In accordance with the great traditions of medicine," he said, "no child will be denied a vaccination because of inability to pay a physician's fee."

## Spends Six Days In Refrigeration Car

PHILADELPHIA (AP)—Manuel Ramirez, 28, rested in a warm hospital bed today, recuperating from the effects of six days he spent locked inside a pitch-black refrigerated railroad car.

Ramirez jumped into the car in Chicago last Wednesday, hoping to return to his family in Laredo, Tex. A workman sealed the car. The temperature inside was about 50 degrees.

Yesterday the car, carrying sheep hides, arrived at a Philadelphia leather processing plant. Employees found Ramirez, almost too weak to move.

He's being treated for malnutrition and dehydration. And he's still got to get to Texas.

## Calf on Loose Causes Much Trouble in Catch

VAN NUYS, Calif. (AP)—Douglas Hooper had an uncomfortable feeling that he was being spied upon as he watched a TV show in the supposed privacy of his own living room.

He turned around to be greeted by two big, soulful brown eyes. A calf just happened to be passing in the neighborhood and stopped for a look at the strange goings-on in the lighted box.

Hooper rushed to his garage, got a length of clothesline for what he thought would be a short calf-rope stunt. It turned out to be a half-mile chase in which he was joined by two policemen. They helped corner the frisky calf in the patio of George Melchior's home, and it was carted off to the animal shelter to wait for the owner to claim it.

## Double Wedding Fete Celebrated in Family

WARWICK, R.I. (AP)—There was a double celebration at the home of Mr. and Mrs. Frederick L. Drowne last night.

The Drownes observed their 50th wedding anniversary.

At the same time their daughter and son-in-law, Mr. and Mrs. Wilbur N. Newton, celebrated their 25th wedding anniversary.

The Newtons were married on the same date and at the same hour as were her parents 25 years earlier.

## US Likes India's Tries For Red Talks

WASHINGTON (AP)—The Eisenhower administration appeared favorably disposed today toward India's efforts to promote negotiation between the United States and Red China over Formosa and other issues.

There was no evidence that President Eisenhower or Secretary of State Dulles had actually endorsed the diplomatic mission undertaken by India's V. K. Krishna Menon.

But it was reported they had given his account of his talks with Red Chinese leaders close and polite attention. He was treated with more regard than officials had expected in the light of the prevailing official view that he is unduly friendly to Red China.

After the Indian diplomat had spent 45 minutes with Eisenhower and Dulles yesterday, White House Press Secretary James C. Hagerty made a surprise announcement that he would see the President again—in two or three weeks—and meanwhile would confer in greater detail with Dulles. In the afternoon he talked again with Dulles for more than an hour and with Vice President Nixon.

It appeared that since there is some prospect Menon may make progress in dealing with Red China, the President and Dulles want to encourage him "to some degree without making commitments or designating him as a mediator."

In the forefront is the long-sought release of 11 American airmen held in Red Chinese prisons and other Americans detained behind the Bamboo Curtain.

Asked after his talk with Dulles whether the fate of the fliers had been discussed, Menon said he did not think the question was proper but commented, "You want the prisoners back, don't you?" He urged a "degree of restraint" in writing about his mission, saying it is "still in the talking stage" and that published speculation could make difficulty because "in the Orient anything printed is taken as gospel truth."

Menon would not go into detail on his talks. It was known that in general he would urge this government to make some conciliatory gesture toward Red China.

Nylon stockings with printed mink tops make luxurious-looking Christmas gifts that are easy on the budget.

**COMMANDO ASSAULT**—A British Commando, using his leg to balance, slides down to the beach below Culver Cliff, Isle of Wight, during a demonstration of a cliff assault. Lines with grapnels were rocket-fired into the face of the cliff.

## Discover Four York Egg While Candling

CHICAGO (AP)—Edward R. England, an egg candler at a poultry products store, stared in amazement at the outlines of an egg he held over the light yesterday.

He called the owners of the store. "I just can't believe it," England said. "I have been dreaming about this all my life."

The owners looked at the egg and saw the shadows of four yolks. The first four-yolk egg England had discovered in candling an estimated 28 million eggs in 26 years. The four yolks were put in the freezer to be used as an exhibit.

The egg was unusually heavy but only slightly larger than normal.

## Convicted of Firing Bullets at Freighter

PORT HURON, Mich. (AP)—A Circuit Court jury yesterday convicted Floyd Warwick, 45, of firing three shots from a rifle at a freighter on the St. Clair River.

The offense carries a maximum penalty of a year in jail and a \$500 fine. The bullets ricocheted off the freighter John E. F. Meisner May 12 without injuring any of the crew.

Warwick, a boat livery operator, testified he was angered by speeding freighters that kicked up waves and damaged his property but he would not admit firing the shots.

## Lumber for Repair Job

TOKYO (AP)—Japan will get 39,600,000 board feet of Siberian lumber in return for a \$1,000,000 repair job on a Soviet freighter. The Shintei Jitsugyo trading firm of Tokyo said today it would pay for the repairs on the 10,000 ship Tyranian at Hakodate in return for the lumber.

## Dies at Age of 116; Heard Lincoln Speak

BALTIMORE (AP)—Mrs. Annie Camphor Ross, Negro woman born in slavery 116 years ago who remembered hearing Lincoln's Gettysburg Address, died yesterday at Johns Hopkins Hospital.

Mrs. Ross told an interviewer two years ago how she journeyed to Gettysburg with her husband, a Methodist preacher, to attend the battlefield ceremonies in 1863.

Mrs. Emma K. Jones, a great-niece with whom Mrs. Ross lived, said the aged woman attributed her long life to a "little gin now and then."

## Objects to Vaccine

SOMERVILLE, N.J. (AP)—Eight-year-old Rose Simon wasn't too keen on receiving her Salk polio vaccine inoculation yesterday.

She began whimpering, and just as a health officer was about to give her the shot she shouted: "I personally didn't sign a consent slip."

Rose got the inoculation anyway, plus a lollipop for consolation.

Boyd Massey has been recently transferred to Sedalia where he will represent Federated Mutual in this area.

Mr. Massey looks forward to the opportunity to meet and extend any insurance service to Federated's many valued policy holders. He will also appreciate the opportunity to be of similar service to prospective customers.

The Federated Mutual company offers a complete line of fire and casualty insurance on homes, autos and businesses. This complete insurance protection written through one man and in one company, plus substantial dividend savings and fast claims service, has contributed to a remarkable growth of the company during the past fifty years.

We are confident that Boyd Massey can be of real insurance service to you and that our growth in the Sedalia area will continue.

Federated Mutual

## Christian Women Hold Convention At Local Church

The Christian Women's Fellowship of Pettis County held its semi-annual convention recently at the East Broadway Christian Church. The event began with a contributed dinner at noon, Miss Nellie White offering the table prayer.

A business meeting was conducted in the afternoon with Mrs. Emory Meyers, president, presiding. The following officers were re-elected: president, Mrs. Meyers; vice-president, Mrs. J. W. Watts; secretary, Mrs. Sid Condict; and treasurer, Mrs. J. P. Blythe.

Mrs. Luther Landis, Miss Katherine Garman and Mrs. Helen Cannon were appointed to the nominating committee.

The afternoon program was opened with Mrs. Milton Fronsoe giving the prayer. Miss Garman con-

ducted the worship service, using "Christian Growth" as the subject. Miss Barbara Nicholson sang a solo, "Drifting".

Mrs. Carl Schoefer, who is the wife of the S.A.F.B. chaplain, was guest speaker for the day. She told of her family's experiences while abroad and in Europe, and presided over a discussion period which was held afterwards.

It was decided that the offering should be used to assist the Mexican Christian Institute in San Antonio, Tex., which is one of the six Home Missions institutions of the Disciples of Christ Church.

The next meeting of this group was planned for early fall. Mrs. Landis then gave the benediction.

## Juanita Bahner Becomes Bride Of D. E. Neeley

Miss Juanita Bahner, daughter of Mr. and Mrs. Francis C. Bahner, Kansas City, became the bride of Mr. Donald Eldon Neeley, son of Mr. and Mrs. Donald Elkin Neeley, Topeka, Kan., at 10 o'clock Saturday morning, May 28, at St. Augustine Catholic Church. The Rev. John A. Biter performed the double ring ceremony in a setting decorated with baskets of yellow and peach gladiolas.

Mrs. S. A. Huebner was accompanied by Mr. Michael O'Connor as she sang Schubert's "Ave Maria."

Given in marriage by her father, the bride wore a petal white floor length gown of imported Chantilly lace and frothy nylon tulle over layers of glowing bridal satin. It was styled with a snug fitting bodice and long sleeves that tapered to traditional points over the hands. A sheer yoke of illusion was accented with a pointed lace collar. The extremely bouffant skirt, worn over hoops and crinolines featured scalloped side panels of lace with a sun burst of accordion pleated tulle down the front. Her double finger tip veil of imported silk illusion was secured by a half mat of matching lace, accented with a narrow brim studded with seed pearls and iridescent sequins and she carried a bouquet of stephanotis centered with a white orchid.

Miss Mary Behen, maid of honor, wore a floor length gown of turquoise crystallette and net over taffeta, styled with a strapless bodice, which had pleated crystallette at the bodice, the crystallette extended around the sides and down the back to a point. A short sleeved crystallette bolero jacket was worn about the shoulders. The full net skirt worn over hoops was designed with two wide crystallette panels down the back. On her head she wore a matching plateau bonnet covered with tiny blossoms. She carried a colonial bouquet of yellow carnations.

The bridesmaid, Mrs. William Dick, wore an identical gown and hat in goldenrod yellow and carried a colonial bouquet of turquoise carnations.

The bride's mother wore a gown of navy blue with pink accessories and a corsage of pink carnations. The bridegroom's mother wore a gown of light blue with navy accessories and a corsage of white carnations.

A breakfast for the bridal party and immediate families was held at the Wishbone. There was a reception in the afternoon at the Wishbone.

Mrs. Delphia Self cut the wedding cake and Miss Nancy Self presided over the punch bowl.

Mr. and Mrs. Neeley spent their honeymoon at Rockaway Beach in the Ozarks. The bride wore a powder blue dress with white accessories and a white orchid corsage for her traveling ensemble.

The couple is at home in Topeka, Kan.

Attending from Sedalia were: Mr. and Mrs. D. J. Bahner and family, Mrs. Delphia Self and Nancy, Misses Mary and Ottilia Simon, Mr. and Mrs. Andrew Simon and daughter, Mrs. C. A. Mulcahey and daughter.

## WMU Members Meet With Mrs. N. J. Knutz

Mt. Herman WMU met at the home of Mrs. N. J. Knutz, Sr., Thursday with ten members present. The meeting opened with a prayer by Mrs. A. C. Henderson, Jr. Mrs. V. C. Abney had charge of the program, "Stop, Look and Listen".

Refreshments were served. The meeting closed with a prayer by Mrs. Charles Wise.

Mrs. P. D. Fidler will be hostess on July 14.

## Social Calendar

### THURSDAY

MKT Ladies Safety Council will have a pot luck supper at 6:30 p.m. at the Katy depot.

Philathea Class, First Methodist Church, meets at 7 p.m. at the church.

Women's Club BPOE No. 125 will have a picnic at Liberty Park at 6:30 p.m. in case of rain meet at the Ladies Room at the Club.

Mrs. Donald Eldon Neeley

## Class Reunion Given In Honor Of Arnett's Wedding Anniversary

Mr. and Mrs. L. P. Allen of Nevada, planned a surprise class reunion of the classes of 1937 and 1938 of the Green Ridge High School in celebration of the wedding anniversary of their daughter, Mrs. Vernon Arnett and Mr. F. Arnett. The occasion was also in celebration of the birthday of Mrs. Arnett.

Mr. and Mrs. Allen were assisted by Mrs. Lloyd Arnett of near Green Ridge and Mrs. Clarence Culp of near Warrensburg.

The reunion was held at Liberty Park on Sunday, June 5. The tables were decorated in keeping with the colors of the two classes and the mottoes of each class.

The 1937 colors were pink and silver and the motto, "With Ropes of the Past We Ring Bells of the Future." The 1938 class colors were blue and silver and the motto, "Not At the Top, But Climbing."

The table centerpiece was a large three tier anniversary cake, bouquets of flowers and blue and pink candles.

A contributive dinner was served to the members of the two classes and their families in attendance.

Preceding the dinner Mrs. Allen read a booklet which was the story of her daughter's life. F. W. Smith presented an address on "Our Responsibilities." Raymond Neitzert also gave a short talk and the Rev. Thomas concluded with a few remarks and the benediction.

The members of the two classes voted to hold a similar reunion of the classes as an annual affair. The reunion will be held next year the first Sunday in June at the home of Miss Mary Belle Harbit, 1804 West 18th, Sedalia. For further information concerning this event members of the two classes are urged to contact either Mrs. Lloyd Arnett, Route 2, Green Ridge or Mrs. Clarence Culp, Route 1, Warrensburg.

## New Materials Are Discussed At Club

Six members of the Meet Your Neighbor Club met June 9 at the home of Mrs. J. H. Knight.

The meeting was opened by repeating the club collect in unison led by Mrs. Walter Rabbee. Roll was answered by giving your phone number. Mrs. J. H. Weather reported on family relations and community improvement.

Mrs. Lyman Hoehe and Mrs. G. M. Nicholson gave an interesting lesson on "New Materials for the Home". They displayed some of the new materials.

The July meeting will be at the home of Mrs. W. P. Nicholson.

## Oak Point Club Meets With Mrs. W. Johnson

Eight members of Oak Point Extension Club met June 9 with Mrs. Willie Johnson. Roll was answered with "Care of Nylon".

Mrs. H. E. Gerken presided over the meeting and Mrs. Otto Tegmeyer conducted a quiz on milk. Mrs. Erwin Ruff, Mrs. Fred Borchers and Mrs. C. A. Crole reported on the Farm Bureau tour.

Mrs. Donald Arnett was a guest. Mrs. Henry Smith will be hostess to the club on July 8.

## WWP Class Meets At Church Thursday

The WWP Sunday School class of the Windsor Methodist Church met Thursday afternoon in Wesley Hall with eight members and two visitors present and opened with a song and prayer.

After the business meeting, Mrs. Will Lutjen gave the devotional and Mrs. Will Marta the topic. There were 27 calls on sick and shut-ins reported.

The hostesses, Mrs. Sam Marti and Mrs. Gertrude Ball, served refreshments.

## Womans Association Will Purchase New Chairs For Choir

The Presbyterian Womens Association of Green Ridge held its regular meeting on Thursday, June 9, all day at the church with the Esther Circle as the hostess club. Mrs. Mattie Myers, Mrs. Danny McCampbell, and Mrs. Millard Edmundson were in charge of the contributive dinner served at noon.

At two o'clock, the president, Mrs. A. M. Kendrick conducted the business meeting. Mrs. Drake read a letter about the Synodical meeting which will be held at Columbia, June 20, 21 and 22 and urged all who could to attend.

The chair committee was directed to buy the new chairs for the church choir. Mrs. Earl Hinken was in charge of the devotional period. The program was a playlet, "We Are All in This Together." Those taking part in the play were: Mrs. William Heibner, Mrs. G. D. Rayburn, Mrs. F. E. Helman and Mrs. Edna Ryan.

The day was spent in quilting and other needlework.

Mrs. Clyde Galbreath will be the program leader at the next Association meeting.

## Interesting Program Given at Class Meet

The Mary and Martha Class of the Windsor Baptist Church held their quarterly business and social meeting at the church Wednesday afternoon, June 8, with 19 members present.

The following program arranged by Mrs. T. H. Raney was presented: song, "Labor On"; devotional, "A Great Woman," Mrs. R. E. Feaster; talk, "The Prophet Isaiah," Mrs. George Barnes; a Bible quiz conducted by Mrs. Lizzie Brown with the entire group taking part; reading, "The New Church Organ," Mrs. Frank Jackson; talk, "Older Folks," Mrs. Ethel Stevens; song, "The Land Where We'll Never Grow Old"; prayer, Mrs. C. E. Feaster.

Mrs. Frank Jackson, class president, presided at the business meeting. A nominating committee was appointed and other items of business discussed. The next meeting will be at the church Sept. 14 with a covered dish luncheon at 1 p.m.

During the social hour refreshments were served by the members of Group III. It being the birthday of the teacher, Mrs. L. M. Varner, "Happy Birthday" was sung.

## Mrs. John Telson Heads Legion Aux.

The American Legion Auxiliary Post 539 met at the Legion Hall on Monday, May 23. Officers for the coming year were elected as follows: Mrs. John Telson, president; Mrs. Walter May, first vice-president; Mrs. Chet Marshall, second vice-president; Mrs. George Huffman, secretary; Mrs. Bill Wood, treasurer; Mrs. Harry Charles, historian; Mrs. Frank Martin, sergeant-at-arms; Mrs. Lawrence Pummil, chaplain. Following the business meeting hats were made to be sent to the Girls State meeting to be held in Fulton June 16.

## J. B. Ginn Honored With Birthday Dinner

Mr. and Mrs. Guy E. Woolery, Route 3, entertained with a birthday dinner Sunday in honor of J. B. Ginn of Sedalia.

Guests included Mr. and Mrs. Will Wall, Ottumville, Mr. and Mrs. Charles Shepherd and Charles, Houstonia, Jennie Guy Woolery, Sedalia and Mr. and Mrs. Ginn.

For women who have trouble keeping a handbag neat (is there a woman who doesn't?), there's a small alphabetical file with tiny cards on which to list engagements and dates that should be remembered but often aren't. Comes in leather and colors.

## Social Events

Mrs. Delores White, Society Editor

## Shower Honor Evelyn Williams, A Bride-To-Be

Miss Evelyn Williams of La Monte was the guest of honor at a bridal shower Friday evening, June 10. The shower was given by Mrs. Melvin Dale, Miss Glenda Orens and Miss Elsie Ehlers at the Edwill Ehlers home. Miss Williams will be wed to Robert Alpers of Stover on June 18.

Gifts were placed around a table decorated with a lamp and bride doll centerpiece with pink and white streamers draped from the ceiling to the table.

After games were played refreshments were served to 20 guests.

## Program on U.N. Is Presented at WSCS

The Woman's Society of Christian Service of the Methodist Church of Warsaw met at the church Thursday afternoon at 2 o'clock for their regular meeting.

Preceding the meeting an executive meeting was held and plans and recommendations for the year's work were outlined. Jerry Hart played a prelude of hymns to open the meeting. Mrs. Dorothy Schneider, president, presided and presented the program committee who took charge. Mrs. Elizabeth Drake, Mrs. Emma Freeman and Mrs. Mae Edwards presented a discussion of the United Nations, its purposes and hopes for world peace and friendship. Mrs. Drake told of being in San Francisco ten years ago when the charter was accepted. It was voted to help in the erecting of a room at the girls' dormitory at Central College. This is a project being carried on by all the WSCS societies in Missouri.

## Willing Workers Make Cancer Pads at Meet

The Willing Workers Sunday School class of the Windsor Methodist Church met Friday afternoon, June 10, at the home of Mrs. Lloyd Port. Mrs. B. M. Campbell, Sr., was a guest. The afternoon was spent making cancer pads. Mrs. Maude Hensley gave the devotional. During the social hour Mrs. Port served delicious refreshments.

## About Town

Mr. and Mrs. T. A. Albers, California, accompanied Mr. and Mrs. Kyle Boyer and son Johnny, of Boonville to Kansas City where they attended the wedding Sunday afternoon of Miss Jo Ann Seiler to Gale King at the Metropolitan Methodist Church in Kansas City. Mr. King is a nephew of Mr. and Mrs. Albers.

Mr. and Mrs. H. J. Kuhlman and Mr. and Mrs. Ralph Kuhlman spent the weekend at Ft. Smith, Ark., where they visited the formers' son, Harley. Harley is in basic training at Camp Chaffee there.

## Musical Program Is Presented At Meeting Of Longwood Ext. Club

Mrs. Bruce Claycomb entertained the Longwood Homemakers June 7.

Mrs. Paul Stephens presided over the meeting and Mrs. Clay Jones was in charge of the devotionals. Twenty members answered roll call with "A Needed Home Improvement". Mrs. Joe J. Jenkins read the monthly news letter. Mrs. Stephens announced that the Pettis County extension clubs would tour the woolen mills at California, June 30 and on July 12 travel to Kansas City.

Mrs. Virgil Ellis, community improvement chairman, discussed a project the club might do this coming year. It was decided that the community needs a roadside park or fireplace. Mrs. Ellis, Mrs. Carl Raines and Mrs. Bruce Claycomb were appointed on this committee.

Mrs. Jack Greer and Mrs. Raymond Hurt were in charge of the program on home management. They showed samples of curtain, rug and upholstery material. Mrs. Ellis also told about the Campbell - Harrison Home in Columbia. The extension clubs in Missouri contribute toward the financing of this home for girls, who major in home ec.

This being music appreciation week the following children gave a short musical program: piano solo, "Yellow Butterfly", Nancy Major; piano solo, "Oscar's Octopus", Roy Major; piano solo, "Dancing on the Dyke", Linda Claycomb; piano solo, "Around the Campfire", Larry Claycomb; piano solo, "Wood Nymphs' Harp", Billy Claycomb and trombone solo, "Lightly Row", Bary Ellis.

The club will meet July 5 with Mrs. Joe Jenkins and Mrs. Virgil Ellis.

## 62nd Wedding Day Is Observed By J. Pabst

Mr. and Mrs. John Pabst of Clifton City recently observed their 62nd wedding anniversary.

Mrs. Pabst is 80 years old and enjoys good health. Mr. Pabst is 85 and has been in failing health for the past several years.

No special celebration was held. Guests in the home were: Mr. Pabst's brother, Frank Pabst, and Mrs. Pabst of Parsons, Kan., Mr. and Mrs. Ed Pabst, Detroit, Mich.; Mrs. Franklin Pabst, Mrs. Floyd Doogs, Mrs. Paul Meyers, Mrs. Jay Twenter, Mrs. Bob Rouchka, Mrs. Gentry Patterson, Mr. and Mrs. J. W. Twenter and family, all of Sedalia; Mr. and Mrs. John A. Lorenz and family, Jefferson City, John Stoecklein and daughter of Pilot Grove.

Mr. and Mrs. Pabst are the parents of 13 children. Eleven of their children are living.

About 34 per cent of the spectacles worn in the United States are bifocals or trifocals.

## Contributive Dinner Served At Clifford's

A contributive dinner was served to 19 members of the Ringen Neighbors Club at the home of Mrs. Don Clifford. Mrs. Ralph Montgomery was co-hostess.

A constitution for the club, prepared by Mrs. F. A. Schutte, Mrs. George Teter, and Mrs. George Cook, was read and accepted. A letter on "Family Teamwork" was read by Mrs. Louis Demand. Mrs. Rudy Rehmer gave a very interesting word picture of the recent homemakers tour.

Miss Glenda Teter, member of Ringen-Brushy 4-H gave a demonstration on brushing hair. Mrs. George Cook showed how to use the attachments for the sewing machine. Roll was answered with "Care of a New Fabric".

The next meeting will be at the

## Picnic Dinner In Honor of Lloyd Harvey

By Miss Pauline Chamberlin  
HUGHESVILLE — Miss Lucille Harvey gave a picnic dinner May 30 at her home in honor of her nephew, Lloyd Harvey, who has completed his four-year term in the Navy. Harvey was formerly employed in Texas and he and Mrs. Harvey have returned there to live for the present.

Those attending were: Mr. and Mrs. Van Jones, Mrs. Lewis Leeton and her grandchildren, Bob Wheeler and Carolyn Leeton, Mr. and Mrs. Dono Harvey and Anne, Mr. and Mrs. George Alexander and grandson Bruce, of Marceline, Mr. and Mrs. Tom Harvey and George, Miss Joan Nicholson, Mr. and Mrs. Jack Leftwich, Mr. and Mrs. John Harper, Karen and Donna, Mr. and Mrs. Allen Raines, Bonnie and Dale, Mr. and Mrs. J. A. Harvey, and Mr. and Mrs. Lloyd Harvey.

A. J. Harvey after his two years in the Army, recently visited his parents, Mr. and Mrs. J. A. Harvey, along with his wife, the former Deloris Traywick of Oklahoma City. The couple has now returned to Oklahoma City where Mr. Harvey is employed at the Tinker Air Base where he was working previous to his induction into the Army.

The Rev. Harvey White, Butler, preached at the Baptist Church Sunday, June 5, in the absence of the pastor, Sterling L. Elsbury who was on vacation. Rev. White was accompanied by Mrs. White and their two small daughters, Gwendolyn and Audrey.

Grover Eubanks spent several days in Hughesville and has returned to his daughter's, Mrs. Frank Hopkins. Mrs. Hopkins, Clifford, Sharon and Charlotte spent last week in Ft. Smith, Ark., with Mr. Hopkins who is employed in construction work there.

Earl and Elsie Hunter, Nome, Tex., niece and nephew of Mrs. Claude Rayl, have been visiting in the Rayl home. After a week's visit Elsie returned home Saturday. Earl will spend the summer helping his uncle on the farm.

## St. Louis Approves School Pay Raises

ST. LOUIS (AP) — The St. Louis Board of Education last night approved pay increases ranging from \$150 to \$300 a year for all salaried employees in the public school system here.

The raises are effective July 1. Each of the system's about 3,000 teachers will receive an increase of \$200 in addition to the normal step-up of \$200 provided by the present salary schedule. A few administrators will receive as much as \$300.

The school system has a total of 4,500 employees. Philip J. Hickey, superintendent of instruction, estimated the increases would cost about \$832,000 annually, of which about \$640,000 would go to teachers and principals.

The raises will bring beginning salaries for teachers with bachelor's degrees to \$3,400 a year and for those with masters' degrees to \$3,600. Maximums would be \$5,800 and \$6,000.

## Missouri Senators For Elective Committees

WASHINGTON (AP) — Sens. Symington and Hennings, Missouri Democrats, are backing legislation to reestablish authority of elective farmer committees in the agricultural stabilization and conservation program.

In a statement yesterday the senators said the Missouri ASC Committee had engaged in "political manipulations, arbitrary suspensions and dismissals x x x of duly elected county committee members."

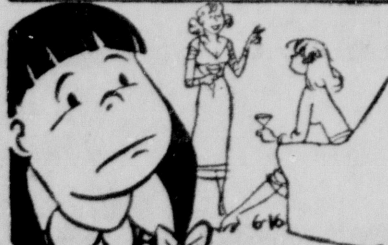

They said the recent dismissal of the committee in Mississippi County was "another example of this flagrant disregard of the intent of the Congress."

The statement was presented to the Senate Agriculture subcommittee which is considering legislation on the matter.

## Convicts Bluffed In New Escape Attempt

JACKSON, Mich. (AP) — Three long-term convicts at Southern Michigan Prison seized a stamping plant foreman as hostage last night and tried to escape through a sewer tunnel which had been used by 13 convicts who broke out last December. Since then bars had been installed across the exit. After four hours the convicts, Mike Gisoni, George Patskan and Edward Robinson, came out and meekly surrendered. The foreman, George Clark, was unharmed.

## LITTLE LIZ

The good old days were when women exchanged recipes for cake and pie instead of for cocktails.

## DAILY RECORD

### Marriage Licenses

Harvey Everett Wadleigh, Green Ridge, and Shirley Jean Williams, Green Ridge.

### Police Reports

Gifford Braden, 122 East Saline, reported Wednesday morning that someone had trampled through his garden and had shaken apples off his trees.

The second break-in of the week was reported early Wednesday morning by John Williams, manager of the Midwest Steel and Aluminum Co., which is located near the old roundhouse, at Engineer and the MoPac tracks.

The thieves entered the building by removing wire mesh from a window on the south end of the building and breaking the window. The vandals, who left the building by an east door spilled ink in the office, scattered papers from the desk over the floor, broke windows and battered a safe with rocks in an unsuccessful attempt to gain entrance.

### Police Court

Mrs. Dora Raebler, 1515 West Main, forfeited a \$2 bond when she failed to appear on a charge of parking within 35 feet of a stop sign.

Mrs. J. E. Mitchell, Broadway Arms, forfeited a \$2 bond when she failed to appear on a charge of parking contrary to legal signs.

Howard Turner, Route 2, forfeited a \$2 bond when he failed to appear on a charge of parking in a loading zone.

C. M. Hope, 115½ South Osage, forfeited a \$2 bond when he failed to appear on a charge of improper parking.

M. E. Finley, Ottumville, forfeited a \$2 bond when he failed to appear on a charge of parking contrary to legal signs.

Mrs. Jeanne Hersterberg, 1616 South Grand, forfeited a \$2 bond when she failed to appear on a charge of parking contrary to legal signs.

H. L. Sutton, Route 4, forfeited a \$2 bond when he failed to appear on a charge of parking contrary to legal signs.

Wayne Paul, 404 North Prospect, was found guilty of careless and reckless driving and was fined \$25.

Francis J. Mock, 521 West 24th, forfeited a \$15 bond on a charge of speeding.

John L. Lichte, 1010 South Murray, was found guilty of speeding and resisting arrest and was fined \$25.

Robert Gerald Lichty, 613 West Sixth, forfeited a \$30 bond on charges of speeding and running a stop sign.

Wallace K. Hollander, Route 1, Rosebud, forfeited a \$5 bond on a charge of running a red light.

### Magistrate Court

George Glover, Sedalia, pleaded guilty to a charge of overweight on axle. He was fined \$35 and costs.

John Henry Henck, Sweet Springs, pleaded guilty to a charge of careless and imprudent driving resulting from passing on a hill. He was fined \$25 and costs.

Edwin Carl Sellers, Kansas City, pleaded guilty to a charge of careless and imprudent driving resulting from passing on a hill. He was fined \$25 and costs.

Jack W. McCannon, Kansas City,

**NEW ANGLE**—If you're ever driving along East Shoreway, Cleveland, Ohio, don't be surprised to see Robert Miller—or any one else—fishing in the middle of the road. The angling there is good because the highway bridges an electric company's intake from Lake Erie. All you have to do is drop a line through a slit in the concrete and wait for a bite. Opening is wide enough to take fish up to two pounds.

### US Aid to Las Vegas

LAS VEGAS, Nev. (AP)—Federal aid is on its way to this flood-stricken resort city, Mayor C. D. Baker announced last night.

He said representatives of two federal agencies will reach Las Vegas by this weekend to handle applications for disaster aid from the city, businessmen and home owners.

Estimates of damage caused by Monday night's flash flood run as high as \$400,000 to city facilities and a million dollars to stores and homes.

pleaded guilty to a charge of careless and imprudent driving. Testimony revealed that he had been weaving across the highway and was under the influence of intoxicating liquor. He was fined \$100 and costs and given a 30-day suspended sentence in jail.

Holman R. Williams, Sedalia, pleaded guilty to a charge of careless and imprudent driving as the result of an accident on Highway 50, where he skidded into the back of another car in a highway construction area. He was fined \$10 and costs.

Guy Johnson, Lincoln, pleaded guilty to a charge of careless and imprudent driving, and fined \$100 with a 30-day suspended jail sentence. According to Trooper Earl Gregory, he failed to stop his car on first signal from the patrolman, continuing on for some distance before he brought his vehicle to a halt. Trooper Gregory stated that Johnson was under the influence of intoxicating liquor at the time of the arrest.

### Circuit Court

A damage suit for \$30,000 has been filed by Granville Thomas against Robert P. McKinley. Thomas asks payment for injuries sustained while in the St. Francis Hotel on March 22, 1955, as the result of an elevator accident.

A petition for divorce has been filed by Lee Roberts against Benny L. Roberts. The plaintiff charges general indignities and asks support and custody of their four minor children. The plaintiff's attorneys are Hayes and Durley.

### County Court

Lloyd Atkins, Green Ridge, was paid \$15 for one old wolf scalp.

## LaMonte Club Gives Awards For Flowers

The LaMonte Garden Club held its annual flower show at the home of Mrs. Edna Martin Tuesday afternoon. The flowers were very nice considering the recent rains.

Mrs. Clyde Swope, president, presided at a short business session.

Program chairman, Mrs. Ruth Price, gave practical information about rose pruning for show blossoms, conditioning cut flowers and new varieties.

Mrs. Karl Wimer, co-chairman, demonstrated the making of a corsage of sweet peas which was presented to the hostess, Mrs. Martin. Mrs. Wimer led the judging of arrangements, all present taking part in the discussion of points meriting award.

The awards were: Class three, red roses, one variety, first, Mrs. Ruth Price, second, Mrs. Clyde Swope, third, Mrs. B. F. Parker and Mrs. Swope; Class four, pink roses, one variety, first, Mrs. Price, second Mrs. Parker, third, Mrs. Martin; Class five, any other color rose, Flora Dora fashion, first, Mrs. Price; Class 9, vase annuals, larkspur, first, Mrs. Martin, second, Mrs. Wimer, third, Mrs. Swope; Class 10, vase, any other perennials, lilies, first, Mrs. Price, second Mrs. C. N. Moore; Class 11, modern arrangement in glass brick container, first, Mrs. Wimer, red Flora Dora; Class 12, miniature not to exceed four inches, first, Mrs. Swope, second Mrs. Wimer; Class 15, arrangements of vegetables on tray, first Mrs. Martin, second Mrs. Moore; Class 17, arrangement for coffee table, first, spirea in glass slipper Mrs. Swope, second, yellow roses in antique vase, Mrs. Parker, third, Mrs. Wimer, fourth, Mrs. Martin; Class 19, novelty arrangement in containers not commonly regarded as flower container, first, mixed bouquet in base of antique fruit stand, second, Dorothy Perkins, in aluminum skillet, Mrs. Martin, third, mixed flowers in coffee pot, Mrs. C. E. Terry, and perennial sweet-peas in gravy boat, Mrs. Martin, fourth, Van Fleet roses in ball, Mrs. F. R. Wagenknecht; Class 20, an arrangement of roses with figurine, first, Mrs. Wimer.

Mrs. Mabel Harris was a guest.

About 400 carloads of dandelion greens are shipped to New York and Philadelphia every year.

## Orders Pickets' Halt At Kansas City Plant

KANSAS CITY (AP) — Operators of the Westinghouse jet engine plant here obtained a court order restricting picketing by striking employees.

Circuit Judge John R. James ordered United Automobile Workers, CIO, Local 324, to restrict its picketing to methods which would not prevent persons from entering or leaving the plant.

The local has about 2,000 members, while about 1,000 other Westinghouse employees are affected by the strike which began Sunday.

Westinghouse attorneys, in their petition for the restraining order, alleged that mass picketing was illegal. The company said it would not negotiate again until nonstriking employees were allowed to enter the plant.

Judge James set a hearing for June 24 on a temporary injunction against the union.

The union has sought an average wage increase of 20 cents an hour. The company announced Saturday it was giving increases of 3½ to 5½ cents an hour, retroactive to April 9.

## Vacation Exercises

The Hughesville Baptist Church will hold its vacation Bible school commencement Friday at 8 p. m.

## ROPER!

"America's  
Finest  
Gas  
Range"

**Performance Proves It...**

## ROPER GAS RANGES

### INSTANT STOPS AND STARTS

Allrot "Center-Simmer" top burners start cooking instantly... stop instantly when foods are done. No overcooking or burning by heat in turned-off burners.

### LOCATED AND CONTROLLED HEAT

Roper top burners position flame to fit tiny measuring cup, giant chicken fryer or anything in between. They always provide perfect heat for every cooking task.

### HEALTH-BUILDING "WATERLESS" COOKING

Cook with a tiny simmer flame and without special utensils. Save valuable vitamins and minerals. Save fuel, too. Enjoy more wholesome foods every day of the year.

### AUTOMATIC LIGHTING THROUGHOUT

Top burners, oven, broiler light rapidly at the turn of a valve. No bother and inconvenience. No matches needed. Another example of modern Roper gas cooking.

### COOL-COMFORT COOKING

Superior insulation, closed-door broiling, "low temperature" oven cooking, located-and-controlled top-burner flames keep your kitchen several degrees cooler.

### CONVENIENT CLEANLINESS

Nothing like Roper for cleaning ease. You'll readily agree once you see the smooth-lined top, porcelain enamel oven linings, porcelain enamel top burners and more.

### UNMATCHED COOKING SPEED

Top burners start instantly. Oven pre-heats much faster. Broiler does a big thick steak in 10 to 12 minutes... from a cold start. There's nothing slow about Roper.

### AMAZING FOOD SAVINGS

"Low temperature" meat roasting reduces shrinkage 20 to 35%. Home baking saves 100% on many items. "Roper-Glo" broiling gives more nutritious food.

### IMPORTANT FUEL SAVINGS

Because of ingenious Roper engineering (the result of 69 years experience), top burners, oven and broiler all contribute to worthwhile and welcome fuel savings.

### LESS COST TO BUY... LESS TO INSTALL

In a Roper gas range you buy more real quality for each dollar invested. You experience no costly bills for installation. Another reason you'll save with a Roper.

### LONG-TERM FREEDOM FROM REPAIRS

Roper gas ranges are engineered to last for years. Skillfully made of selected materials they have earned the slogan "America's Finest." Your Roper will serve faithfully.

### PERSONALIZED SELECTION

You can have 1 or 2 baking ovens; 1 or 2 broilers; 4, 6 or 8 top burners; built-in top griddle; comfort-high broiler; and more. Roper gives you exactly what you want.

## Britain Gets Routine Back With Trains

LONDON (AP)—"All right, mate, don't push. Plenty of trains today. Tickets, pliss."

Britain's nationwide railroad strike—the first since 1926—was over after 17 days of street traffic jams, piled-up warehouses and looming shortages of coal and raw materials.

In London's vast terminals, the eerie silence was shattered once more by the scream and roar of trains, the jabber of passengers, the mad crush of humanity.

Suburban trains, packed tight as sardine cans, disgorged happy commuters who had walked, hitchhiked, bicycled or driven cars to work each day.

Last night leaders of the 67,000-member Associated Society of Locomotive Engineers and Firemen called off their strike on the nationalized railroads and agreed to submit their demand for a wage hike to arbitration.

Officials said it would take at least a few days to restore order to freight yards and goods warehouses. Although nonstriking members of the National Union of Railwaymen kept freight traffic running at a third of normal during the walkout, tens of thousands of loaded coal wagons were waiting at the nation's mines. Tons of raw materials awaited delivery to factories, which in turn had mountains of manufactures.

Much freight traffic also had to be diverted from the hurriedly mobilized fleets of trucks and canal barges which kept Britain's industrial wheels from stopping.

Resumption of normal long-distance passenger service also probably will be delayed slightly.

The strike was estimated to have cost the British Transport Commission, operators of the railways, a million pounds (\$2,800,000) a day, and the striking union 300,000 pounds (\$840,000) in strike pay.

The walkout also forced many industrial plants to trim their working hours and to lay off 10,000 or more workers. But there was no serious industrial dislocation and no mass unemployment.

## Red Chinese Report Uncovering of Clique

TOKYO (AP)—Peiping radio today reported a counter revolutionary clique connected with the Chinese Nationalist government of Chiang Kai-shek had been exposed in Red China.

The broadcast gave no details of arrests.

It said members had "even won their way into the Chinese Communist party to steal documents and intelligence information so as to work against the revolution from within and without."

The report apparently heralded a new purge.

Three men were named as members of the clique. The leader was identified as Hu Feng, a writer. Others named were A. Lung, a former major in the Nationalist army, and Li Yuan.

The broadcast said they "hid themselves within the ranks of the progressive people and used art and literary work as a camouflage for their criminal deeds."

Hu Feng was identified as a member of the National People's Congress, the "parliament" of Red China.

## Red Cross Bundles Accepted by China

HONG KONG (AP)—The American Red Cross transferred 40 parcels for Americans detained in Red China to the Chinese Communist Red Cross today. It was the second Chinese acceptance of parcels.

Fun to wear around the house, for yourself or company to gaze upon, are jeweled slippers. Have them flat if you crave comfort, with heels for real glamor.

Snooky has, on each of her front feet, three extra toes, complete with pads and claws. Her mother also sports six paws as do all her brothers and sisters. Snooky has never seen any cats other than her family, so she thinks all cats run around with two spares. **EXCLUSIVE NEA PHOTO.**

## Hal Boyle's Column—Man's Check on His Boyhood Can Bring Many Surprises

By HAL BOYLE  
KANSAS CITY (AP)—What does a man find if he comes back years later to his old home town, and tries to dig back into his boyhood?

Well, the surprises he discovers may rather in a small way reconcile him to the guy he has become.

He may find, for example, that dumb and lonely as he felt himself to be then, he wasn't altogether as dumb as he thought he was. He may even be sobered into a thoughtful new responsibility by the realization that a new calendar hasn't made him a new man.

Do people improve with time? Do they get worse?

It's a great adventure to go back and try to decide. The opportunity to revisit myself when young fell to me during a stopover here on the way back from the Southwest to New York, where I work.

My mother had just sold the old home that had been the center of our family for 34 years.

The job I had to do was a basement job. It was my own job. Since I was a small child I had early grown the habit of collecting small souvenirs of my adventures on this earth, and now the problem was that the storage place at home was gone.

The old family home was gone, too. What did I want to hold on to? What to let go of?

Throwing away the mementos of your life is rather hard. These old memories have hands in them that grip you from old times.

The first day, when Mama was there and said, "you can't live ahead while you're still trying to live behind you," I was stubborn and threw little away.

The next day I came back without her and threw away my youth all alone with both hands. I feel now I threw too much away. But it's a personal handicap. Anything in life... if it is life... I don't like to see go.

As I said before, excavating the souvenirs of youth—only from your own living—is a surprising experience. I don't hesitate to use the word amazing. I am amazed to discover that, at the age of 44, except for the weapon of experience—and this is dull but useful and sometimes a momentarily effective weapon—I face life with no brighter sword than the hope and courage and intelligence I had when I was 19. All you can acquire is the information of caution.

What was there in the basement showed that.

Digging back through the duty debris of childhood, put away originally neither with no more nor no less self-consciousness than I recall it now, I find small change.

Then, after finishing my high school classes and riding a bike for pay for the drug store six days a week at 15 cents an hour from 6 in the evening until 11

o'clock I would go home and draw cartoons, because I wanted to be a cartoonist.

I gave it up because I didn't have what it takes—talent, ability. So I turned to words, and earn this living.

I wrote poems then, but poems in that time, as in this time, were the cake of the spirit and bought no bread for the body.

Digging there all alone in this rubble of remembrance in the basement, there were many things that needed to be thrown away, and many of them I did and miss already. There were old school pictures, faded photos of girls then pined for and later half-forgotten, friends dead and remembered by the force of their passing, and relatives revived.

But the main discovery in the basement was that, coming back after these many years, I was in no real way superior to the dreaming boy who had tried long ago to preserve these souvenirs I was discarding.

I didn't think in my lifetime I later shaved a better man than that boy. It was really a voyage in self-discovery to go back into the basement and see him again. Don't know whether I feel good or bad.

Anybody you know like that in your cellar?

## Attacks Press For Silencing McCarthy

SYRACUSE, N. Y. (AP)—Roy M. Cohn contends the nation's press is engaging in a deliberate "news blackout" on Sen. Joseph R. McCarthy (R-Wis) and others who, he says, "are fighting communism."

"In the past three months the eggheads of the press have practiced silence," Cohn declared yesterday in a Flag Day speech.

The former counsel of the Senate Investigations subcommittee continued:

"You can go up and down the pages of the newspapers and you will find only a small paragraph now and then about McCarthy and the others who are fighting communism."

## Ex-Sedalian Wins Europe Plane Tour

Mrs. Marie Agniet, 56, who resided in Sedalia on South Carr, several years ago, a Jefferson City secretary who has eight grandchildren, was Tuesday announced winner of a national secretary's contest, according to the Associated Press.

Her prize is a 2-week flying tour of Europe for two persons plus \$1,000 cash.

Mrs. Agniet has been saving for a trip to Europe so she could see two of her sons, stationed there, and their four children.

Staff Sgt. David Agniet, 21, the youngest son, has been in Germany three years. The oldest son, Lucien, 36, is press attaché at the United States embassy in Vienna.

When in Sedalia Lucien started on a newspaper career and later was with newspapers at Jefferson City.

She picked a third son, Dr. Harry M. Agniet, 813 W. High St., to accompany her to Europe. The itinerary will include stops at London, Paris and Brussels, but the itinerary can be changed to allow Mrs. Agniet to visit her sons.

Sponsors said the contest was designed as an educational campaign to acquaint secretaries and their bosses with the dangers of storing valuable records in obsolete record safes.

Mrs. Agniet is secretary of John M. England, chief accountant for the Missouri Public Service commission. The contest she won was sponsored by the Mosler Safe Company of Hamilton, O.

Mrs. Agniet was born in St. Louis and is the widow of Lucien A. Agniet. Her father, Harry Duhring, 85, of Kirkwood, Mo., recently retired from the St. Louis Post-Dispatch after fifty years in its advertising department.

Three other secretaries here were among 500 contestants who tied for fifth place. They are Cora Hilgedick of the division of employment security, V. Ellen Salmon of the state highway patrol and Ruth M. Wiser, board of education.

## Houston Police Raid Women's Poker Game

HOUSTON (AP)—The vice squad raided a two-bit limit poker game and arrested eight housewives after an irate neighbor called in a complaint yesterday.

The women, who ranged in age from 45 to 68, were arrested while playing high-low split. They were released after posting \$10 bonds.

Lt. Otto Vahldek said a woman called in the first complaint at 9:30 a. m. He said she called back at 3:30 p. m. and said the poker players were "still at it and wanted to know what we were going to do. So we ran the call."

Officers said there was about \$20 on the table when they arrived. The participants in the daytime poker game were charged with gaming.

When the 68-year-old hostess was asked if she knew who tipped the police, she said "I'm not sure, but I have an idea it was someone we forgot to invite."

## Five GM Plants Open After Recent Closing

By THE ASSOCIATED PRESS  
General Motors Corp. reported today that five more of its plants had been put back into operation after walkouts and resulting parts shortages shutdowns.

This cut 12,100 workers from the idle list, reducing the total to 50,300 at 17 plants around the nation as of midmorning.

Walkouts spread through GM's industrial empire shortly before or after the company and the CIO United Auto Workers reached agreement on a new contract early Monday. The stoppages were attributed to a combination of dissatisfaction over contract terms and unsettled local grievances. At one time 44 plants and 134,000 workers were involved.

## Approves Appointment

WASHINGTON (AP)—The Senate today confirmed President Eisenhower's nomination of John D. Hollister as administrator of the foreign economic aid program.

Hollister, Cincinnati lawyer and onetime law partner of the late Sen. Robert Taft (R-Ohio), will head the International Cooperation Administration.

## Clothing Contest

(Continued from Page One)

suit; Richmond, Mrs. Monroe P. Allison, Harden, Route 1, director, Mary McKenny, Hardin, senior, suit, and Lou Ann LeBerge, Kansas City, ensemble; Bethany, Mrs. C. N. Davis, Norborne, director, Colene Hughes, Maryville, senior, and Winona Vernice Wood, Dawn.

Mrs. V. B. Vandiver, Leonard, state chairman, is in charge and also here for the event is Mrs. Earl S. Wright, Dubois, Ia., president of the National Women's Auxiliary of Wool Growers. The state contest is sponsored by the Missouri Farm Bureau Federation and is held in connection with the Midwest Stud Ram Sale and Show.

The girls will spend tonight at the Bothwell Hotel and will be guests at the Midwest Sale at the Missouri State Fair Grounds on Thursday morning.

## OBITUARIES

**Floyd (Bill) Hatfield**  
Floyd (Bill) Hatfield, 53, 500 East Walnut, died at the Bothwell hospital at 5:15 p. m. Tuesday. He had been a patient there since Monday.

Mr. Hatfield was born at Sedalia, April 28, 1902, son of the late Will Hatfield and Mrs. Maggie Dunton Hatfield. He lived all of his life in Sedalia. He was a member of the Sedalia Police Force for several years. For the past four years he has been employed at Mexico, Mo.

He was married at Centralia, Mo., June 23, 1925 to Miss Goldie Stanton, who survives.

Also surviving are two daughters, Linda Sue Hatfield and Margie Hatfield of the home, two sons, Benny Hatfield of the home, Ray Hatfield, 603 South Engineer; his mother, Mrs. Maggie Hatfield, Centralia; three brothers, Porter Hatfield, Centralia, Kenneth Hatfield, Roxana, Ill. and Glenn Hatfield, Rushhill, Mo.

Funeral services will be held at the Ewing Funeral Home at 3 p. m. Thursday. The Rev. Boyd E. Eldridge, pastor of the East Sedalia Baptist Church, will officiate. Burial will be in Crown Hill Cemetery.

The body is at the Ewing Funeral Home.

**Ralph Allen Brenton**  
Ralph Allen Brenton, 44, a former resident of Tipton currently living in Fontana, Kan., died unexpectedly at the St. Mary's Hospital in Jefferson City early Wednesday morning. Mr. Brenton had been in ill health, and was preparing to leave Tipton for his Kansas home when death occurred. He was visiting his parents in Tipton at the time.

He was born in Fortuna, Mo., on Nov. 25, 1910, the son of Alva and Minnie Thomas Brenton. In 1919 the family moved from Fortuna to Tipton. A garment cutter by trade, he was employed by his brother-in-law, Al Martin, at the Tipton Manufacturing Co., before leaving for his recently held employment in Kansas City. He was married Oct. 8, 1949.

Mr. Brenton was a member of the Methodist Church, Masonic Lodge, and the American Legion and was an army veteran.

He is survived by his wife, the former Wilma Scovill, Fortuna, his parents, Mr. and Mrs. A. A. Brenton, a sister, Mrs. A. F. Martin, and a brother, Russell Brenton, all of Tipton, twin nieces, Mrs. Fred Vest, Soda Springs, Idaho, and Mrs. Thomas Chapman, Columbia.

Funeral services will be held at 1:30 p. m. Thursday at Conn Funeral Home with the Rev. M. A. Thomas, pastor of Tipton Methodist Church, officiating. Following services the body will be taken to Fontana, Kan., and services will be held there at 2 p. m. Friday.

Burial will be at Begal Cemetery. The body is at the Conn Funeral Home.

**Homer Coffee**  
Homer Coffee, an aged resident of Warrensburg, former Sedalian, died at 3 p. m. Tuesday at Warrensburg according to a message to his sister, Mrs. Mollie Dale, 907 North Grand.

The body was taken to the Sweeney-Phillips Funeral Home, Warrensburg, where funeral services will be at 2 p. m. Thursday.

**Harry C. Covey**  
Harry C. Covey, 69, died at his home in Shreveport, La., June 5. He was a nephew of Charles F. Covey, Mrs. Eula Patton and Mrs. O. E. O'Brien, Knob Noster.

He was eldest son of the late Mr. and Mrs. G. C. Covey. He lived in Knob Noster when young, moving from there to Joplin and then to Shreveport, where he resided the past 25 years.

He is survived by his wife of the home, two daughters, Mrs. T. N. Barham, Shreveport, La., and Mrs. Jack Stack, who is in Stuttgart, Germany, and one brother, Hugh Covey, Joplin.

Funeral services and burial were held at Shreveport.

## Mrs. Leatha A. Martin Rites

Funeral services were held at 2 p. m. Wednesday at the Gillespie Funeral Home for Mrs. Leatha A. Martin, who died Sunday at the home of her daughter, Mrs. Fred Pump, 2230 East 13th. The Rev. F. A. Welsh, pastor of the Kirkwood Nazarene Church, officiated. Songs were by a quartet Jack, Clay, Earl and Frank Blaylock. "Beyond the Sunset" and "Asleep in Jesus."

## Earl H. Shipley

Earl H. Shipley, 67, died Saturday at his home near Pilot Grove death resulting from a heart attack.

Mr. Shipley, formerly of Casper, Wyo., came to Sedalia over a year ago and for a time resided at Smithton later purchasing a farm in Cooper County.

Surviving are his wife, two sons, Fern Shipley, Route 2, Sedalia; Victor Shipley, Casper, and three daughters, Mrs. Frances Hargis, Kansas City, Kan.; Mrs. Edna Bucher, Casper, and Mrs. Thelma Styles, Hampton, Va.; three brothers, two sisters, 11 grandchildren and one great-grandchild.

Funeral services will be held Thursday at Casper, Wyo., with burial there.

The word dandelion derives from the French dent-de-lion (lion's tooth) because of the tooth-like lobes on the leaf of the plant.

## Corporal Punishment Is Legal In Schools

JEFFERSON CITY (AP)—Atty. Gen. John M. Dalton ruled today it's all right for a teacher to strike a child so long as the punishment is not "excessive, cruel, unusual or malicious."

The question was raised by John S. Stevens, assistant St. Louis County prosecuting attorney. He said there had been several complaints about corporal punishment being administered by teachers. He asked for a legal standard to determine when criminal charges should be filed.

Asst. Atty. Gen. Hugh P. Williamson reviewed a long line of Missouri cases holding that "reasonable" punishment was proper. "It will be seen," he wrote, "that the holding of the cases is that a teacher is charged with the duty and responsibility of maintaining discipline and order in her school; that if to do this it is necessary to inflict corporal punishment upon a pupil, the teacher may do so, but that the punishment must be reasonable and proper under the circumstances, not cruel, unusual, excessive or malicious."

"In other words, every case must be judged in the light of reason upon its own set of facts."

## Bring Suit As Result Of Faulty Vaccine

OAKLAND, Calif. (AP)—A \$100,000 suit against a manufacturer and a retailer of the Salk polio vaccine charging careless and gross negligence was filed yesterday.

The suit, filed in Alameda County Superior Court, is believed to be the first in the nation as a result of polio developed after the polio vaccine was administered.

The Cutter Laboratories of Berkeley, manufacturers, and Ray's Drug Store were sued jointly by Mr. and Mrs. George E. Fitzgerald on behalf of their 4-year-old son.

Mrs. Fitzgerald, a registered nurse, said she purchased the vaccine from the store and inoculated her son, Ronald James, on April 18. One week later, the suit contends, the boy was stricken with the disease.

## Former Tax Collector Released From Prison

TERRE HAUTE, Ind. (AP)—James P. Finnegan, 34, former collector of internal revenue in St. Louis, was released at 8:12 a. m. (EST) today from the Terre Haute Federal Prison where he had served 18 months for alleged misconduct in office.

Warden Donald Byington said Finnegan entered an automobile outside the gates and presumably started for St. Louis.

Finnegan, once a close friend of ex-President Harry S. Truman, was convicted of improperly taking attorney fees from two companies negotiating non-tax business with the government while he was tax collector.

He was given a two-year term and fined \$10,000. Finnegan was given time off for good behavior.

## Cardinals Assured Club Not for Sale

ST. LOUIS (AP)—Members of the St. Louis Cardinals were assured last night that the ball club "is not for sale."

Al Fleischman, public relations counsel for Anheuser-Busch Inc., made the announcement to players in a clubhouse meeting before the game with Pittsburgh.

Fleischman said he was speaking for August A. Busch Jr., president of both the brewery and the ball club, who was out of town. The report the Cards were up for sale was published in a copyrighted story in the New York Herald-Tribune yesterday. Busch denied it then.

## Ft. Wood Keeps Track Title of Eighth Army

MANHATTAN, Kan. (AP)—Two triple winners helped Ft. Leonard Wood retain its 5th Army track championship yesterday.

Ft. Wood got 76 points; Ft. Carson, Colo., 72; Ft. Riley, 31; 5th Army Headquarters of Chicago 15, and Granite City, Ill., failed to score.

Ft. Wood's triple winners were Ted Wheeler in the half-mile, mile and three-mile, and Willie Stevens in the two hurdles races and the hop-step-jump.

## Pettis Scoutmasters Will Meet Tonight

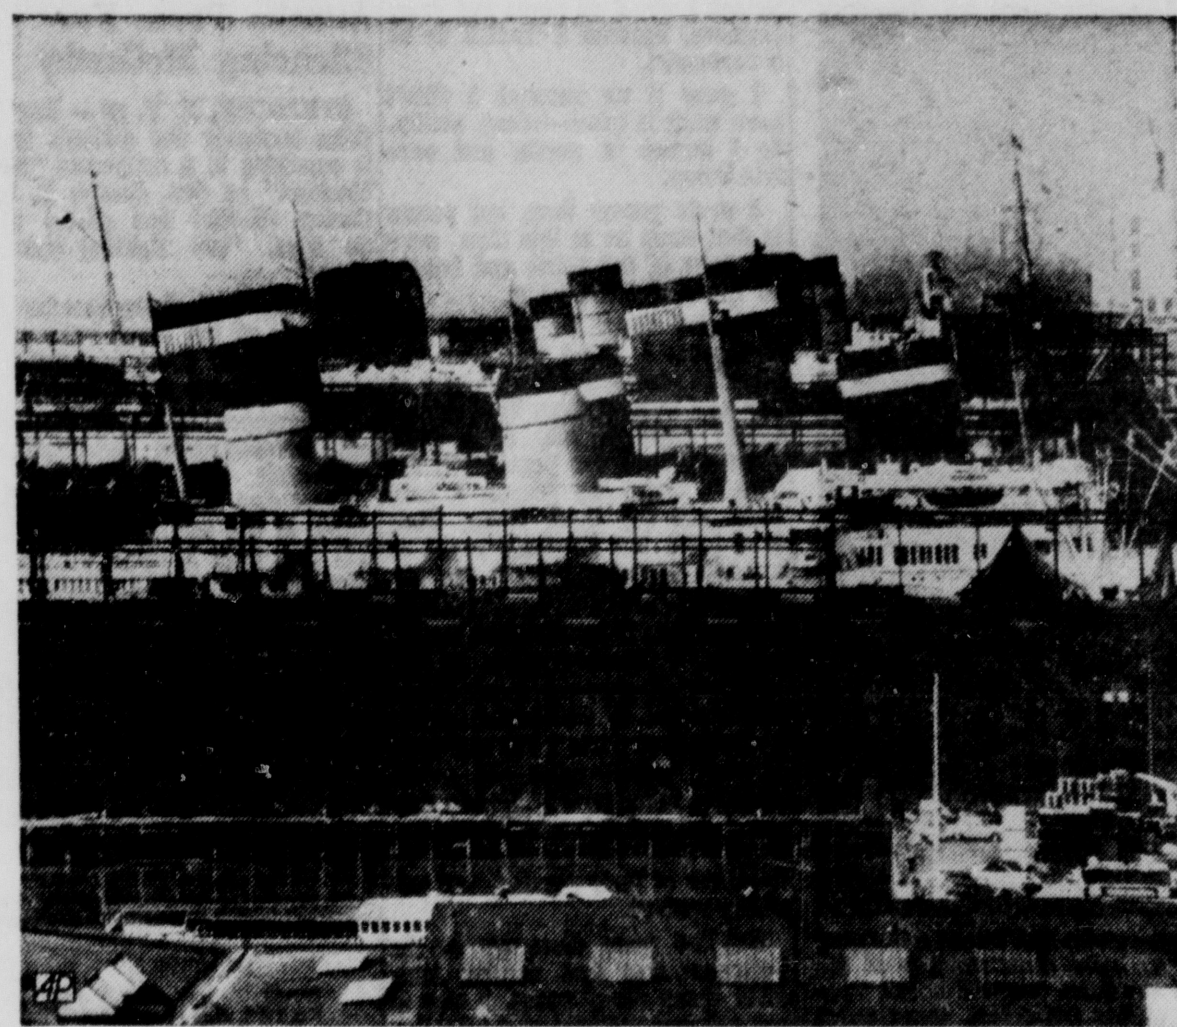

A Pettis District Scoutmasters Roundtable will be held tonight at 7:30 at the Chamber of Commerce office.

## 4-H Club Camp Opens

WASHINGTON (AP)—The national 4-H Club opens its 25th camp here today with rural youth leaders from 46 states, Hawaii and Puerto Rico in attendance. The camp will continue through June 23.

## Late Daily Record Korea Flourishes Again After Two Year Comeback

By LEON DENNEN  
NEA Staff Correspondent  
NEW YORK (NEA)—On the sites of the ruins left by war with communism, new buildings are rising in the little Republic of Korea. Two years after hostilities ended in July, 1953, schools are being rebuilt and business and agriculture, paralyzed during the Red invasion, are beginning to flourish again.

## City Hospitals

BOTHWELL—Surgery: Mrs. Joseph Lampono, 1206 East Broadway.  
Accident: Harry Lush, Cole Camp.  
Dismissed: Glen Larue, Sweet Springs; Earl Manley, Route 3; Jefferson Greer, Houstonia; Kenneth Kretzer, 907 East 14th; Melvin Smith, Ottumwa; George Eichholz, Smithton; Mrs. Melvin May and daughter, Green Ridge; Mrs. Francis Volmer and daughter, Ottumwa.

WOODLAND—Surgery: Mrs. Helen Vanderlinden, 1211 East Fourth.  
Medical: Mrs. Katherine Boone, 1608 South Montauk.  
HOSPITAL No. 2, Medical Mrs. Betty Nickols, 217 East Morgan.

**Accidents**  
Two cars were damaged in an accident in the 700 block on West Broadway at 4:50 p. m. Tuesday. Both vehicles were headed East on Broadway when the accident occurred.

A 1940 Ford driven by Lillian MacGugin, 805 West Seventh, and a 1948 Ford driven by William E. Kreissler, Cole Camp, collided. Damage resulted to the left front fender and bumper on the MacGugin auto and to the right rear fender of the Kreissler machine.

Damage resulted to two automobiles in an accident in the 300 block on West Broadway at 8:10 p. m. Tuesday. No injuries were incurred.

D. J. Michael, 1407 South Ohio, the driver of a 1949 Chevrolet, headed west on Broadway, and a 1950 Chevrolet which was parked on Broadway by W. C. Overstreet, Blackwater, were involved in the accident.

The right front fender on Michael's car was damaged and the left right fender of the Overstreet auto was smashed.

## Sonic Barrier Break Causes Much Injury

ST. LOUIS (AP)—Thousands of St. Louis County residents were upset today by a voodoo.

To be more specific, an Air Force F-101 Voodoo fighter, piloted by Robert Little of McDonnell Aircraft Corp., cracked the sonic barrier in level flight at 10:02 a. m. (CDT).

The sonic boom produced hundreds of telephone calls to police and others from county residents asking whether there had been an explosion or earthquake.

Little said he was flying over an unpopulated area in the general vicinity of St. Charles, at 25,000 feet when he reached super-sonic speed. The sound waves continued to the county area.

It used to be that most sonic booms resulted from planes pulling out of dives, but not any more. Some of the newer jet planes exceed the speed of sound in level flight.

## BS Board of Review Will Be Held Tonight

OHIO'S "BOY BRAIN," John Francis Schivell (center), spouts a few worldly facts for Charles Dinardo (left) and Ray Cross.

## Genius in the Family Brings Woe to Family in Cleveland

By JAMES G. CROSSLEY  
NEA Staff Correspondent

CLEVELAND — (NEA) — For those parents who end each school year struggling to get their children into the next grade, take heart. It could be worse. They might have been geniuses.

Woes have accumulated for John Joseph Schivell and his wife Theresa. Their son, John Francis, blew the top out of the intelligence thermometer in a routine test. Since then, he's been project No. 1. He is hailed by experts as a mental giant with an unmeasurable I.Q. higher than the 190 top scale.

While John Francis, 12 and in eighth grade, just sits there reading his scientific magazines, mother and father have been wrestling with his future.

"When we lived in Mentor, Ohio, he was nine and all the children were given the routine I.Q. test," the Schivells related.

"An excited teacher called us and told us his rating was too high for the Stanford-Binet test to register. We didn't know what to expect."

They felt something must be done to bring out his potential gifts, since educators thought he might be another Einstein.

"With no reflection on the public school system," explains Dr. Corinne F. Baker of Western Reserve University, "John needs an educational environment in which he can advance as rapidly as his intelligence will allow. He is out of place among boys of his own age. He has adult reading habits."

**Headache**  
LAKEVIEW, Ore. (AP)—Centuries ago the Arabs and Turks cultivated Mediterranean sage as a remedy for aches and pains. Today this same sage is giving Lake County farmers a headache.

The sage has taken over an estimated 200,000 acres of grass range land and is still spreading there as well as in other areas of Oregon, Washington and California.

Range experts say the sage can be killed by spraying with 2,4-D.

**Patient Treatment**  
NEWARK, N. J. (AP)—The do-it-yourself fad had invaded a field formerly dominated by experts. Outpatients at St. Michael's Hospital are now reading their own blood pressure. To keep their own records, hypertension patients are provided charts, stethoscopes and sphygmomanometers.

"Hardest thing about it," says one patient, "is pronouncing the name of this thing."

# Bond Issue Leadership . . . .

Much has been written about Sedalia's Urban Area report prepared by the Missouri State Highway Commission proposing a ten-year program of improvement of Sedalia streets traversed by Highways 50 and 65.

Nevertheless many have taken only casual interest until now when there arises necessity for a \$250,000 bond issue to supplement the overall expenditure of \$2,500,000 with federal and state aid.

There is certain immediacy about the bond issue since the mechanics of getting such a huge program under way require essential time and programming by the State Highway Department.

So Sedalia city council has approved holding a bond issue election—and that will occur Tuesday, Aug. 2.

Taxpayers usually look with jaundiced eye on bond issues for anything about which they are not thoroughly familiar. The merits of the Urban Area bond issue have been rather firmly established in the minds of most civic organizations which have had the improvement program explained to them by highway officials. Their endorsements stimulated city council to accelerate the bond issue election.

Even so an educational campaign must be continued to obtain the enthusiastic support of the rank and file, and finally arrange for seeing that a huge turnout of voters go to the polls on Aug. 2 and support the Urban Area improvement which patently means a step forward in Sedalia's progress by providing adequate highway facilities to handle in-town and out-of-town traffic rather than face the prospect of having two major highways by-pass the community.

Sparked by the leadership of the Sedalia Chamber of Commerce, representatives of both political parties, union labor and council the Urban Area election campaign needs the guidance of one who knows Sedalia and Sedalians, one who is civic-minded and a stimulator of energy of which he has abundance himself, one who is a salesman and a diplomat.

This man has been found and by petition of the non-partisan group supporting the bond issue he has accepted the assignment as General Chairman of the Urban Area get-out-the-vote committee.

This man is Ray Lippard, district manager of the Automobile Club of Missouri. Go to it Ray—we're for you and for the bond issue!

## Something's Bustin' Out All Over

## The World Today—Employers Study Alternative

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON (AP)—Employers, looking at the guaranteed wage plan granted by Ford and General Motors and faced with the possibility of union demands on them for some of the same, may ask themselves:

## Butler Waves Olive Branch to Dissenters

LUBBOCK, Tex. (AP)—Democratic National Chairman Paul Butler held out an olive branch to rank-and-file Texas Democrats who bolted their party in 1952 to vote for Republican Dwight Eisenhower.

But, he added, "I do believe that when men and women have been honored by high office in the Democratic party they should not for some flimsy reason give support to the nominee of any other party."

Butler's speech opened his tour to promote harmony among feuding Texas Democrats. He was due to speak at Big Spring today and at a banquet in Dallas tonight. Six other cities are on his schedule.

## Charged With Murder In Slaying of Child

BROCKTON, Mass. (AP)—A mother of two children was charged with murder early today in the bathtub drowning death of Michael Baldwin, 3, a neighbor's child.

Police Chief John F. O'Connell Jr. said he booked Mrs. Gertrude F. Riordan, 44, after she admitted the slaying in a statement taken down by a stenographer at police headquarters.

The fully-clothed body of the youngster was found in Mrs. Riordan's bathtub yesterday while police were looking for him on a report from his mother that he disappeared from the front porch.

Mrs. Riordan, mother of two teen-agers, Eleanor, 17, and Joseph, 15, lived in the apartment above that of the victim's family.

Michael was the youngest of seven children of Mr. and Mrs. Fred Baldwin.

## The Washington Merry-Go-Round—Public Contribution To Political Campaigns

By Drew Pearson

WASHINGTON — Phillip Graham, publisher of The Washington Post, recently made a proposal that gets to the root of the pocketbook congressmen, in other words, congressmen who take kickbacks, secret slush funds or other money on the side in addition to their regular salary.

He pointed out that no senator or representative should be obligated by political financial contributions to any special group of people and that political contributions therefore should be raised from all the people, not a few.

Graham's wise proposal was not aimed specifically at either the Nixon personal expense fund or the newly unearthed secret fund of Senator Prescott Bush, Republican of Connecticut. It was aimed primarily at the general practice of making heavy contributions to any candidate, for President or for Congress. However, Graham's idea is even more appropriate in the case of the Nixon and Bush secret personal funds, paid to both men by wealthy friends while serving in the Senate without the voters knowing a thing about it.

The corrupt practices act was passed to discourage or at least highlight heavy contributions by special interest groups to any senator or congressman. It was considered only fair that if either big corporations or big labor unions contributed to a senator the amounts should be registered with the clerk of the Senate so the public would know whether the senator's vote was influenced by the campaign funds he received.

That's why when Nixon or Senator Bush, or any other solon gets a secret expense fund from wealthy friends while serving in the Senate it

## Guest Editorial—

INDEPENDENCE (Mo.) EXAMINER: LET THE VOTERS LEGISLATE. After summarizing the scathing editorial comment on the recently adjourned Legislature, Missourians may thank their lucky stars that the compass of the "Man in the State House" usually points to the true north. He, the Governor, has 45 days from the date of adjournment to approve or veto a huge stack of bills, and then an accurate inventory of progress or lack of it may be made.

The Legislative fabric is greatly damaged by numerous mildewed spots of pressure-group politics, so we have government of the people, by the people, and for the lobbyists.

There is skepticism about paying the bill, because the Legislature appropriated \$906 million for the biennium which is \$21 million more than the anticipated revenues and \$30 million more than Governor Donnelly recommended. That will reduce the anticipated surplus of \$33 million at the end of this biennium June 30 to about \$12 million, which is thin.

Like Gulliver in Lilliput the majority was bound hand and foot with fear of the people on various important matters so the buck was passed to the voters on school aid, and the tax to support it. On the \$75 million bond proposal for capital improvements, and the proposal for annual sessions of the Legislature, the Constitution requires a referendum. Instead of using the powers delegated to them, the legislators have left it to the individual voter to study four very important proposals which will be submitted at a special election on Oct. 4.

By enactment the school share of the general fund was increased from a third to 37½ per cent, and then the 2-cent cigarette tax was earmarked for schools also. If the tax is ratified the school aid program will be increased about 40 per cent to \$64 million a year. That should take part of the tax burden off of homes in the local districts; however, a general sales tax increase with no earmarking would have been more equitable, and would have left no free-riders. If the tax does not click the PTA will be in the position of having to push the sale and use of cigarettes.

As to the bonds there is evident need to rehabilitate the prisons, eleemosynary institutions, colleges and university. Neglect with the need for improvements and more space have brought that about, so the effects of niggardly cheese-paring policies of past legislatures have caught up with us.

As to the annual sessions instead of biennial, it is up to the voters to decide whether more frequent sessions will tend to worsen a condition now observed to be anything but salutary in terms of confusion and uncertainties.

A long list of matters of great importance were lost in the shuffle, however 250 bills were passed over a wide range of subjects, many of small importance, and the most important matter of all handed back to the people for final decisions.

completely violates the whole intent and probably the letter of the Corrupt Practices Act.

## Nixon's Revelations

When under pressure of public indignation, Senator Nixon, then a candidate for Vice President, published his private expense fund it was found that the money came chiefly from 15 oil operators, 11 real estate men, several milk products men, and several munitions and war contractors. All had a definite stake in legislation on which Nixon was voting, to say nothing of tax amortization and other important rulings by the federal government.

Though Nixon claimed he had done no favors for any of his donors, it soon developed that he had sent his administrative assistant to the tax division of the Justice Department to try to get a \$500,000 tax refund for Dana Smith. Smith was the man who collected the \$18,000 private expense fund for Nixon.

It also developed that when the same Dana Smith lost \$4,000 at the San Souci gambling casino in Havana, gave a \$4,000 check for the debt and then reneged on the check, Nixon actually wrote a letter to the American ambassador to Cuba asking his help for Smith regarding this gambling debt.

The American ambassador is supposed to concern himself with important problems affecting the United States and Cuba. However, Dana Smith had collected \$18,000 for Nixon's private expense fund, and Nixon made the unusual move of asking for help regarding a defaulted gambling debt.

## Nixon's Record

Nixon's voting record in the Senate also showed that he went right down the line for the groups that contributed to his fund. Here, for example, is how he voted on issues of vital interest to the 11 big real estate operators who contributed:

Voted to cut public housing from 50,000 to 5,000 units; to shorten rent controls by four months; to give localities the say-so on imposing rent controls in critical areas; introduce an amendment to the defense bill aimed at sidetracking public housing.

And here is how he voted in issues affecting the 15 big oil operators who contributed:

For the basing-point bill which the oil companies favored; against cutting the oil depletion allowance to 14 per cent; vigorous champion of tide-lands oil; sent copies of tideland oil literature for the oil companies out under this own Senate frank.

When Senator Prescott Bush was asked who the contributors were to his \$25,000 secret fund, he at first offered to make the list public, then changed his mind.

However, he explained that his contributors were men who wanted to support his point of view.

"Many bankers and businessmen," he went on to say, "agree with me on a stable money policy."

When you examine Senator Bush's voting record, however, you come to the conclusion that he concurred with his big contributors—or they concurred with him—on much more than hard money. At times he even deserted his own Republican President, Mr. Eisenhower, to side with the conservative business group that supported him.

## Senator Bush's Record

Here are some of his more significant votes during the current sessions of Congress:

In favor of tying the President's hands re the exchange of atomic information; against permitting the government to generate atomic energy; against the regulation of private business from using atomic energy; against sharing atomic patents as proposed by Eisenhower.

In regard to taxes, he was against closing the loophole in the estate tax on life insurance, for tax reductions on corporation shareholders, against reducing the excise tax on automobiles, for the \$50 tax exemption on corporate shareholders, against the George amendment giving \$100 additional exemption for each dependent.

In regard to electric power, he opposed an increase of REA loans, opposed giving preferences to cities and co-ops in the distribution of Columbia River power, favored Dixon-Yates.

He also voted against Eisenhower on reciprocal trade for three years, did not want to give Congress the right to review the sale of government rubber factories, wanted to reduce the school-lunch program, favored stiffening the Taft-Hartley Act, wanted to give railroads the right to increase rates without a hearing.

And finally, he voted to confirm Albert Beeson for the National Labor Relations Board despite the fact that Beeson said he would continue to draw a private business salary while working for the government. In this, Senator Bush was at least consistent for he himself has secretly received funds from his former Wall Street banking associates while in the Senate.

## As Sedalia Sees It—

## Congressman Wolcott Thinks Housing Bill Will Be Spiked

By Esther Van Wagoner Tufty  
Democrat-Capitol  
Washington Correspondent

WASHINGTON—The House will not go along all the way with the Senate Public Housing bill. So said Congressman Jesse Wolcott, of Michigan, ranking Republican on the House Banking and Currency Committee, which will begin putting the bill in final form within the next few days.

Wolcott, who is not a "public housing man," is certain the House will be opposed to the Senate bill already passed.

Two points stand out about the Senate bill. The first is that it is tied to the needs of the economy. It gives wide discretionary powers to the President to have a beneficial effect, though the reasons why they do are sometimes rather obscure.

## Dr. Jordan Says—Self-Prescribing Iodine Tablets Is Risky Procedure

By EDWIN P. JORDAN, M.D.  
An important question comes from a reader who asks if it is O.K. to take iodine tablets without consulting a physician. Before discussing the subject of iodine and its relatives the "iodides" further, I should like to answer the question by saying that I do not consider it advisable.

Iodine is one of the chemical elements. To most people, it is perhaps best known in the form of tincture of iodine which is an antiseptic in use for many years. An iodine, of which there are several kinds, is a compound of iodine joined to something else.

Tincture of iodine is not taken internally but some of the iodides are.

Iodine or the iodides have certain definite medical uses, though there are still some serious gaps in our knowledge of their functions in the body.

Iodine preparations have long had a use in certain forms of

## Looking Backward...

TWENTY-FIVE YEARS AGO  
Saturday evening, June 14, an impressive sunset Flag Day service was held at Liberty Park, participated in by National Guards, DAR, Boys' Band, Boy and Girl Scouts. It was viewed by a crowd of several hundred. Decorated automobiles with horns honking brought members of the DAR, through the park following the Boys' Band heading a parade. The address of the evening by Don S. Lamm was cut short by rain which started as a drizzle but developed into a heavy downpour.

William Snyder, Walter Hocker and Robert Gouge, young Sedalians, arrived at Yellowstone National Park where they were to be employed for the summer of 1930.

Mr. and Mrs. V. P. McCurdy, San Jose, Calif., former Pettis Countians, were here visiting Mrs. William Rector and Miss Mattie McCurdy, 116 West Seventh.

Frank Scow, an Associated Press telegrapher who had been at Reno Nev., was transferred to Kansas City. He was a son of C. P. Scow, Sedalia, and was a former MKT dispatcher.

FORTY YEARS AGO  
William Elgenfritz, former Sedalian, located in Chicago, was here for a brief visit with his father, William D. Elgenfritz, who was recovering from illness.

The Rev. J. A. Koser, pastor of the Trinity English Lutheran Church, returned from a vacation visit at Nebraska City, Neb.

Miss Rosemary Burrows left for California for a visit of several weeks with her sister, Mrs. Harry C. Reeder and family, at Redwood City. She was to also visit the San Diego and Panama-Pacific expositions.

A new oiler used in oiling several of the unpaved streets of the city as well as some roads in the 12-Mile Road District, was in operation. It was purchased from a company at Peoria, Ill.

## Barrymore In Debut

LONDON (AP)—Ethel Barrymore, soprano daughter of actress Ethel Barrymore, made her London debut as a singer at Wigmore Hall last night. She sang music dating from the 13th century to the present. One critic said she charmed her audience but another suggested she would be wise to confine her singing to a "small circle of very dear friends."

## Plane Kills Woman

FUKUOKA, Japan (AP)—A U.S. Air Force Sabre Jet making a crash landing near here today struck and killed a Japanese farm woman. The pilot was not hurt.

posed such a principle. Senator Ralph E. Flanders (R-Vt.) proposed this amendment to the bill and the Democrats adopted it.

The second point is that the expanded authorization would give an additional tool, it is said, for slum clearance and urban redevelopment if and when they become more widespread. The promise of more public housing for low-income families, if properly used, should permit additional communities to proceed with privately financed redevelopment plans.

The Senate reactivated a 1949 provision which authorized 810,000 public housing units to be built at the rate of not more than 135,000 a year. Wolcott says about 200,000 units have been completed since then so around 600,000 units would still be built under the Senate bill.

"The House has been firmly against such a Senate proposal since 1949," Wolcott said. "So I'm certain it's safe to assume it still will be. This goes beyond what the Administration has asked. The President has never asked for more than 35,000 units annually for two years."

The prediction is that some public housing will be passed by the House. With private housing and the real estate market booming, there may be less cry of unfair competition.

Odds and Ends  
By News Staff

TRYING TO CALL her grandmother on the telephone the little girl found she was given the wrong number and so she tried again. This time she was given the right number and when her grandmother answered the telephone she was surprised to hear the little voice at the other end of the line say: "Is this my right grandma?"

— H. L.

It had been one of those weeks when the woman had had one dinner engagement after another and she hadn't eaten at home all week. Things had been in quite a confusion for her and when she went home at noon one day she remarked to the girl who works for her: "I'm eating out some place again tonight—but I just can't seem to remember where. I know I'm supposed to be somewhere for dinner but I can't think where it is."

"I believe you are eating at home tonight," replied the girl. "At least you should be—you are going to have guests."—H.L.

By WAYNE OLIVER  
NEW YORK (AP)—Whatever the merits of the continuing arguments over live vs. filmed television, the trend still is toward celluloid.

This is evident to the viewer who compares present programming with what he saw two or three years ago, and is emphasized by the statistics.

The biggest of the film manufacturers (Eastman Kodak Co.) says motion picture film now accounts for 55 to 60 per cent of TV air time. The ratio is due to increase materially in the next few years, says T. Gentry Veal of the firm's research staff.

A good deal of filmed air time is rolled up by old motion pictures, but even in the prime viewing hours film accounts for a heavy proportion of the schedule with such shows as Lucy, Mervyn, Dragnet and Groucho Marx. Of the programs over the key ABC, CBS and NBC stations here this week in the peak audience hours of 7:30 through 10:30 p.m., 40 per cent are filmed and 60 per cent live.

The ratio for films is due to go up considerably in the fall. ABC has scheduled a weekly one-hour dramatic film show to be produced by Warner Brothers. CBS' new Wednesday night drama hour will have a new hour-long filmed show produced by 20th Century-Fox on alternate weeks. And CBS

will have filmed shows in the early evening half-hour now occupied by news and music.

A number of live shows of the past season may well be replaced by film next season.

In addition, more films are being made for direct distribution to stations after the pattern of the Libera show, Ramar of the Jungle, Sherlock Holmes and others not transmitted on the networks.

### Mayor Disturbed Over Photos With Beauties

PARIS (AP)—New York's Mayor Robert F. Wagner says he didn't mind being photographed with two bathing-suited French beauty queens but what will the folks back home think.

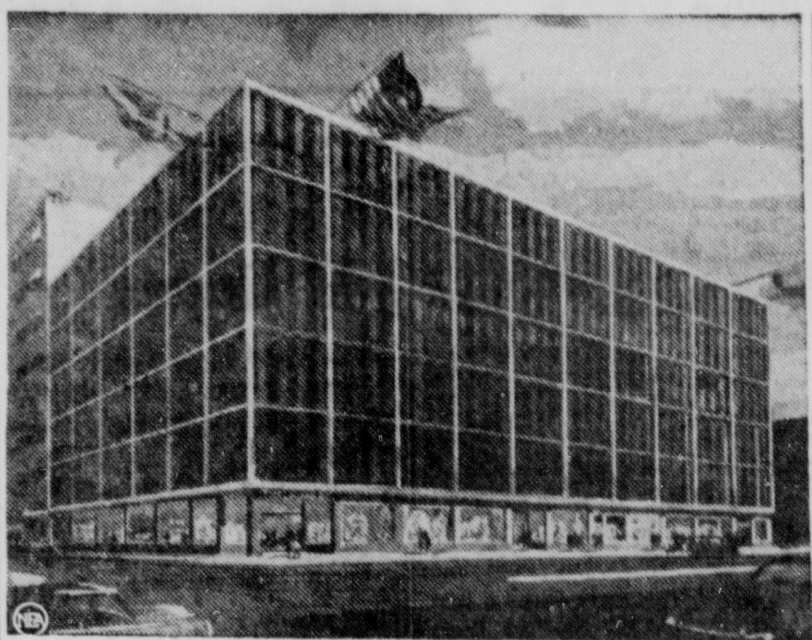

He isn't worried about Mrs. Wagner, a beautiful blonde herself. She was in the photograph too, and all four subjects were smiling.

The mayor of Paris, Bernard Lafay, apologized to Wagner yesterday because "Miss Paris" and "Miss France" had turned up at the airport in scanty attire Monday for the Wagners' arrival on their European tour.

Lafay said he feared such a greeting wasn't dignified and he wanted the visitor to know the City Council hadn't sent the girls. The greeting had been strictly private enterprise.

"Ah, Paris," Wagner said later. "They were charming, you know. But what will my fellow citizens think when they see those photos?"

The captions in the New York Journal-American: "Oo-la-la... Si bon! New York was never like this!"

FAITH IN DOWNTOWN FUTURE is exemplified by Thalhimer Bros. in Richmond, Va., whose department store will look like this when remodeling, including aluminum facade, is completed.

By SUMNER AHLBOM  
NEA Staff Correspondent

NEW YORK (NEA)—In Westchester County, less than 15 miles from midtown New York City, one of the world's largest shopping centers opened up for business this year with facilities that range from full-scale branches of nearly every major Manhattan department store to a metropolitan-style hospital.

Just about the same time, what was once one of the world's biggest department stores was liquidating its facilities in downtown Manhattan, having decided to close its city doors and, like many of its customers, flee to the suburbs.

This coincidence, which underlines the mushrooming growth of suburban shopping centers all over the nation, would seem to indicate a withering future for the city merchant. It was the fourth major downtown department store to give up the urban struggle in New York City in the past three years.

Despite the apparent trend, however, the downtown department store is not doomed. All it needs to do is to follow the same score that is making country shopping center cash registers jingle like a hit tune.

Two shrewd backers of that philosophy are Peter Copeland and Adolph Novak, a New York architectural team whose specialty is department store design all over the world.

"With proper planning," says Novak, "and through cooperation of civic authorities, downtown stores can still attract a vast public. Stores should work with city planning groups in encouraging more and better housing for middle income families.

"Bright living areas in downtown districts should be replaced by attractive garden apartments for both middle and low income groups. Many cities are beginning to realize the urgency of helping to keep business within the downtown areas, and are setting up special funds to plan or replan their business districts."

Another voice for the downtown store is Dr. Christen T. Jonassen, of Ohio State University's Bureau of Business Research. In a survey of shoppers in Columbus, Houston and Seattle, he found most people prefer to shop in city stores because they feel they find "better services, greater variety of goods, better quality and cheaper prices."

The big drawback which Dr. Jonassen found — and which Copeland and Novak also emphasize — is downtown traffic congestion and lack of parking facilities.

Novak's suggestions: Under-ground parking garages, such as San Francisco's big five-level garage in the center of the city; arterial superhighways to bring the public quickly to urban centers, such as those in Cleveland and Detroit which have greatly benefited downtown business districts.

To catch up with their suburban counterparts, downtown stores must also remodel and modernize, say Novak and Copeland. The new suburban stores have taught merchants big lessons in modern space economies and in merchandising methods that lure customers.

As a case in point they cite the Thalhimer Bros. department store in Richmond, Va., which instead of trying to expand with suburban branches is concentrating on its downtown building with a new ad-

dition and a complete remodeling program now under way.

The architects also believe the store, as well as its goods, through downtown store must merchandise community activities. They suggest art contests with subjects of civic interest, community meeting places within the store for local groups. As an example, they point to the way Gimbel's has stimulated local art in Philadelphia and Milwaukee.

"In recent years," Novak says, "strong emphasis has been placed on suburban living. Without belittling the importance of the growth towards the suburbs, I feel, nevertheless, that the urbanites are being by-passed to a great degree, with so much emphasis being placed on suburban living and suburban shopping. The urbanite is still an important factor in the economy picture."

### Movies Steal Spotlight At Senate Inquiry

LOS ANGELES (AP)—Movie sex and violence, already the cause of a serious industry breach with the Legion of Decency, gets a going-over from the Kefauver Juvenile Delinquency subcommittee, which begins a three-day stand here today.

Today's session will be but a curtain raiser for the big Hollywood show expected to start head-lines tomorrow and Friday. Civic leaders have been invited to testify.

Tomorrow a dozen movie boys will answer charges that a recent loosening of the motion picture production code has had an unhealthy effect on the minds and morals of teen-agers.

Committee investigators previously have subpoenaed press books of "Son of Sinbad" and "Blackboard Jungle," two pictures which have come under much fire from censorship bodies. Press books contain the advertising and publicity campaigns of pictures.

Dore Schary, production boss at MGM, the studio that made "Blackboard Jungle," is slated to take the stand tomorrow.

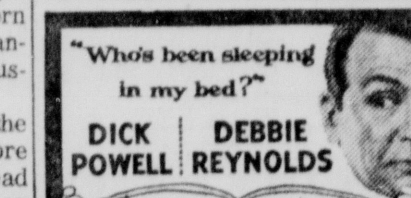

Kefauver said the subcommittee is "as interested as film makers in learning how their product can be improved."

"Officials of the industry," he said, "will assist us in examining their code with an eye toward evaluating the code in the light of the effect of crime and horror motion pictures on juvenile conduct."

Part of the Friday session will be devoted to the so-called "smut mills" which mail out literature and art to teen-agers.

### Garage Pays Off

CHICAGO (AP)—Parking in Chicago's underground garage in Grant Park exceeded expectations for the first six months by 20 per cent. James H. Gately, president of the Park Board, said \$497,307 was collected. Of this, \$284,376 was profit. An average of 25,000 automobiles a week parked in the garage. Retirement of bonds issued to finance the project will begin next year, he said.

### Range Rider Still Reaps TV Benefits

By BOB THOMAS

HOLLYWOOD (AP)—It has been more than two years since the Range Rider has ridden the range, but he's still reaping the benefits from the TV show.

The Range Rider is Jock Mahoney, a handsome, 6-foot-4 one-time stunt man. His profit from the series comes not from what most people think. Although it has played over and over again on TV, he says that his return from the reruns is small.

Furthermore, he made the 78 half-hour films at a starting salary of \$250, ending up at a maximum \$500. That's not much for a TV star, especially when you consider that no doubles were needed for his stunts.

"But I'm not bitter about the money," said Mahoney. "I'm grateful for the opportunity. They took an unknown stunt man and made a name out of him."

"They also taught me the business. Before, I was too scared to open my mouth in front of a camera. Now I feel confident in what I'm doing."

The experience in Range Rider plus six Loretta Young TV films set him up for a movie career of his own, instead of doing daredevil stunts for other actors. He is now appearing with Jeff Chandler, George Nader and Lex Barker in "Away All Boats."

This is the latest chapter in the amazing life of Jacques O'Mahoney, once a poor boy in Davenport, Iowa.

"I wanted to be an actor, but I suffered from an inferiority complex," said the towering Iowan. "So I decided to use my athletic background for stunt work."

He became very successful, earning as much as \$30,000 a year for stunts most thinking people would never consider.

His best check was \$1,500 for falling off a moving train amid boulders for a Randy Scott epic.

### LODGE NOTICES

Service Circle of Sedalia Chapter 57, OES, will meet Wednesday, June 15, at the home of Mrs. H. C. Sammons, 405 North Stewart, at 12 o'clock noon. Bring covered dish and service. Mrs. Lynn Russell, Mrs. J. P. Hurst and Mrs. Elmer Maune assisting.

# Blair And Loeffler In Inter-City Tourney Here Tomorrow

## Missouri Amateur Champs Head Jeff City Delegates

Sedalia will host Central Missouri's men's Inter-City golf teams Thursday with Jefferson City's ten-man team to be led by the Missouri State amateur champion James T. Blair III, and the state runnerup Ed Loeffler. The 18-hole match will be played on the Sedalia Country Club course with its fairways and greens in the best condition in the history of the course.

The annual matches between teams from the Sedalia Country Club, Jefferson City, Columbia and Fulton will get underway at 1 p.m. Thursday.

Sedalia's team placed third in the first of the four meets at Columbia Country Club Thursday, June 2, with a total of 272 points, topped by Jefferson City at 288 and Columbia with 278½. Trailing is Fulton at 241. With Sedalia only 16 points behind the leading Jeff Cityans the locals anticipate picking up the points which separate them and the leaders, in play on their home course.

Despite the stiff competition in Jefferson City's two state tournament finals, the Sedalians are confident of taking command of their home grounds, possibly enough to carry them in top position through the last two matches.

Members of the Sedalia team in their playing order are: Charles Patterson, club champion; Herb Studer, former mayor of Sedalia; Lt. Preston Moore, Bernard Stanfield, John Van Dyne, Richard Gorrell, Harold Junge, Gentry Patterson, Laddie Keens, and John J. McGrath.

Jefferson City, 1954 Inter-City champion, will also be fielding another of Missouri's best amateurs, Dr. Paul Lesley, always considered a threat in the Inter-City meets.

Blair, recently discharged from the U.S. Army, won a place as an alternate in the U.S. Open tournament in San Francisco, in playoffs at Kansas City last week. He is also planning a trip to St. Andrews, Scotland, this summer to compete in the British Open.

### Women Played Tues.

The women's counterpart of the Inter-City golf tournaments was held in Jefferson City Tuesday.

The women's Inter-City golf team of the Sedalia Country Club placed third in the second of four Inter-City golf meets with teams from Jefferson City, Columbia and Fulton. The meet was played at the Jefferson City Country Club.

Sedalia's lady golfers took third spot in the first meet at Columbia Country Club on Tuesday, June 7, also holding third position in total point standings. Columbia is currently in first place, with Jeff City second and Fulton fourth.

Members of the Sedalia team are: Mrs. J. W. Maunders, Mrs. Frank Hayes, Mrs. Lloyd R. Parker, Mrs. Eugene Helman, Mrs. Fred Hulse, Mrs. William Hopkins, Mrs. E. J. Feig and Mrs. C. G. Wilson.

Mrs. Lloyd Parker carded the medalist score for the Sedalians with an 18-hole score of 51-50-101. The Sedalia females will journey to Fulton next Tuesday and host the opposing teams at the Sedalia Country Club on Tuesday, June 28.

### Taystee Team Leads Babe Ruth League

In the Wednesday night schedule of the Babe Ruth League the first game of the evening will be Taystee Bread against Mullins Men's Wear at 6:30 p.m.

The second game will be Phillips 66 vs. Anderson's at 8:15 p.m. The team standings after two games are as follows:

	W	L
Taystee Bread	3	1
Brown's Supply	2	1
Phillips 66	2	2
Mullins	1	2
Western Auto	1	2
Anderson's	1	2

## Chiefs Lose To JC Bears

Errors again turned the tide of victory away from the Sedalia Ban Johnson Chiefs, when they met the league leading Jefferson City Bears at Washington Park in Jefferson City Tuesday night.

Four errors coupled with a five run hitting spree in the fifth frame by the Bears brought the Chiefs down in their sixth defeat of the season against one win.

The Chiefs failed to tally in the first three innings allowing the Bears to take a two run lead in the last of the third, but came up to tie the score with two runs crossing the plate in their half of the fourth.

The last of the fourth brought on the Bear's loudest roar of the game when they knocked Ken Buhlig, the starting Sedalia hurler, out of the game and gathered in five runs. Arnold relieved Buhlig in the fourth.

The first half of the fifth saw a Chief rally and the local aggregation succeeded in crossing two runs before the Bear's starting hurler Herb Vershues left the game in favor of Glenn Vandelicht, who stopped the Chief aggressiveness.

The Chiefs held the Bears to one run in their half of the fifth, but failed to tally the needed runs to close up the Bear lead. One more Bear run scored in the last of the eighth and when the Chiefs failed to score in the ninth the Bears took their victory without playing the last of the ninth.

Buhlig was the losing pitcher.

Jeff City ..... 002 510 01x—9 12

## Playoff Tonight In NCAA Series

OMAHA (AP)—Western Michigan, Wake Forest and Oklahoma A. & M. were set today for a dog fight over the NCAA College World Series pennant.

All three teams have a 3-1 record in play thus far. Tonight either Wake Forest or the Oklahoma Aggies will bow out when they meet at 8 p.m. (CST) to see who tangles with Western Michigan Thursday night in the title game.

Yesterday the Aggies, top-rated going into the tourney, sent Arizona to the sidelines in a 5-4 thriller that went 12 innings. It was won on a hard infield drive that Wright knocked down but could make no play on as Jim Wollard raced home from third with two out.

Then Wake Forest handed Western Michigan a first defeat, 10-7, in a free hitting game that saw Wake Forest's Bill Barnes triple with the bases loaded and then steal home, and pinch hitter Fritz Messner hit a bases loaded homer for Western Michigan.

Western Michigan went into the game owning a 3-0 record after having beaten the Aggies and Wake Forest in previous meetings. The tourney is a double elimination affair.

Last year Arizona bowed to the same 5-4 score and to the same pitcher—Tom Borland.

Borland is the tourney's hardest worked pitcher having pitched 24 innings in five days. He won both his starts and saved a third game with his relief work.

## St. Louis Men Win Jaycee Golf Play

MARSHALL, Mo. (AP)—The Missouri Junior Chamber of Commerce tennis tournament was won by St. Louis players yesterday. Only eight players competed and all the finalists were from St. Louis.  
Neil Drury defeated Dick Howitz 9-7, 6-3 in the junior division singles finals and Red Susman defeated Chuck McKinley 6-4, 9-7 in the boys' division.

TESTING THE GREEN—Norman Scotten, the Sedalia Country Club Pro, tests the ninth green in front of the club house before the second game of the Intra-City Tournament here tomorrow. (Staff photo)

### Sports Roundup—

## “Relaxism” Says Moore Is Method of Making Weight

NEW YORK (AP)—Archie Moore, down in your other title fight here?  
“Never felt more relaxed in my life,” he said. “You saw what I did to Harold after that happened.”  
The 38-year-old veteran of a million fights, more or less, looks as though he might already have shed about 20 pounds of the 200 he was packing when he began training for Olson. That would leave him five more pounds to pare off before the weigh-in at noon next Wednesday. Archie said not to worry about him making it.

“I won’t be as strong as I was when I weighed 196½ for Nino Valdes (on May 2),” he conceded. “I was carrying some extra fat for that one and just felt comfortable. But I won’t be fighting as big a man this time and I won’t need to be so strong.”  
“Some days when I’m taking it off fast this way I feel a little weak. But then I take it easier for a day until my strength returns. Nobody knows me as well as I know myself, and nobody else can relax the way I do. Olson couldn’t relax during a fight because his style wouldn’t let him.”

“You mean to say,” he was asked, “that you were relaxed when Harold Johnson knocked you out?”

## One Injured In Industrial Play

The first game of the evening in the Industrial League Tuesday turned into a pitcher's game for sure, when behind the six hit pitching of George Thompson, who also had three hits at the plate for himself, the Jaycees defeated the Adco Blues 5-2.

In four trips to the plate Thompson had three hits, a triple, single and a double.

Rayburn was the loser for Adco. The second game was a thriller which gave the National Engineers a 2-1 edge over the Kilowatts. Parkhurst was the winning pitcher giving up four hits while Ryan the loser gave up the same number of hits, but had to deal with four errors by teammates.

The Engineers lost one of their line up before the game started. He was Joe Martin, the catcher, who suffered a broken finger while working with the pitchers in the pre-game warm up.

Jaycees ..... 020 021 0—5 6 0  
Adco ..... 000 002 0—2 6 2  
Nat. Eng. .... 010 100 0—2 4 2  
Kilowatts ..... 100 000 0—1 4 4

Wednesday at 7:30 p.m. the Moose Club will tackle the Deaver's Devils and at 9 p.m. the Knights of Columbus will go against Meadow Gold.

## NCAA Track and Field Championships Friday

LOS ANGELES (AP)—America's answer to any Russian claim of athletic supremacy will be shown in the 34th NCAA track and field championships Friday and Saturday at Memorial Coliseum.

Actually, the nation's finest college athletes, 338 strong from 90 schools, will present a preview of America's 1956 Olympic power.

Jim Kelly of Minnesota, chairman of the United States Olympic track committee, declared: “I believe we could pick a team from the state of California that could beat Russia in a dual meet in Olympic events.”

One highlight of what is being billed as the finest NCAA meet on record is the 100-yard dash. Coach Kelly's Harry Nash and Northwestern's Jim Golliday are expected to make it a battle of the century.

## Broadcast Will Open J-H Rodeo

In addition to a stellar lineup of regular contest events featuring the most famous cowboys of the nation, this year's J Bar H Rodeo at Camdenton, July 5-10, will include a record number of feature attractions and specialty acts at each of the six performances.

These include:  
Slim Pickens, rodeo clown and bullfighter who is featured in Republic pictures with Rex Allen; Ken Beon, and his “Old Grey Mare,” rodeo's greatest comedy attraction; Calgary Red and his unbelievable feats of balance on a rope; Guy Willis and the Oklahoma Wranglers, nationally-known radio and TV stars; Gene Sisler and his world-famous Shepherd dog act; Casey Tibbs, “greatest saddle bronc of all time,” and his beautiful high school horse, “Midnight”; the Lake of the Ozarks Tadpoles, “hits” on Red Foley's famous coast-to-coast TV show; the Arkansas-Oklahoma Quadrille, 16 cowgirls and cowboys riding perfectly matched horses in mounted square dance; Cy Ritter and his “Gol Durned Wreck,” comedy act for young and old alike; and other “cream of the crop” attractions. Allan Bing, the melodious electric organ man will provide the music background.

Rodeo week in Camdenton will be kicked off this season with Red Foley's coast-to-coast Ozark Jubilee show in the big rodeo arena the night of July 4. The big rodeo gets underway the following night and continues through Sunday afternoon, July 10. The evening performances start at 8 p.m. and the final performance on July 10 starts at 5:30 p.m.

## Santee Will Make First Marine Run

CAMP PENDLETON, Calif. (AP)—Wes Santee, the ex-University of Kansas miler, does his first bit of running for the Marine Corps here today in the All-Marine track and field championships.

Santee, a second lieutenant in the Marine reserves, was called into active service Monday. He is competing unattached in the mile run scheduled today. He has entered two other events—the 3 mile and half mile.

Thirteen others are entered in the mile with Carl Joyce, former Georgetown University runner from Camp Lejeune, expected to give Santee the best competition.

## Optimists Take Lead In League

The Optimist Club of the Little League took a 13-6 victory over the Lions to also take possession of the American League first place in the first game at the Little League stadium Tuesday night.

The Optimists piled up their huge score on 14 hits off the losing pitcher Bryan in 33 trips to the plate.

Cairnes, the winning pitcher, allowed six hits for the three Lions tallies.

The Lions failed to score in the first two innings after the Optimists took a quick first inning lead of two runs and then made it 3-0 in the third, but came back into the game with two runs in the third.

The fourth and fifth innings, p.m. and the final performance on July 10 starts at 5:30 p.m.

however, clinched it for the Optimists with five runs for each frame, while limiting the Lions to two each.

The second game saw the Adco club pull away from the Ice and Cold Storage club for a 6-4 victory in the last inning.

The Adcos went ahead in the game in the third inning after both clubs tallied one each in the first and second. Adco tallied another run in the sixth to take a two run lead, but the Cold Storage boys tied it up with two runs in their half of the frame.

With the two winning runs scored

in the top of the seventh the Adcos held the Ice and Cold Storage club scoreless in the last of the frame to wrap up a victory enabling them to hold on to a second and third place tie with the Lions.  
Optimists ..... 201 55—13  
Lions ..... 002 22—6  
Adco ..... 111 001 2—6  
Ice and Cold Storage . 110 002—4  
Tonight the National League takes over at Little League Stadium pitting the Rotarians against the Kiwanians and the Elks against the Jaycees.

# Birthday Of Trevor Moore At Farm Home

By Miss Emma Lee Kurtz  
BUNCETON—Mr. and Mrs. Trevor Moore, Los Angeles, Calif., who are spending the summer at their farm south of Boonville, entertained Sunday with a dinner honoring the birthday anniversary of Mr. Moore.

Guests were his two aunts, Mrs. R. L. Windsor, Boonville, 97, and Mrs. William Eller, Bunceton, 93. Other guests were cousins, Mr. and Mrs. Gertrude Windsor, Tyler, Tex., Mr. and Mrs. Ed Windsor, Mr. and Mrs. Russell Moore, Mrs. Alene Rolien and Mrs. Lewis Roeder, Boonville.

Mr. and Mrs. Herman Salzman, Sharon and Monte, spent Sunday night and Monday with Mr. and Mrs. Harvey Camden and son, Jerry, at Kirkwood.

Mrs. Dora Walje was a Sunday dinner guest of her sister, Mrs. Kathryn Kurtz and Emma Lee. Afternoon guests were: Mr. and Mrs. J. F. Schilb, Beverly and Betty, Columbia, and Mr. and Mrs. Ray Gensler and daughter, Martha, Sedalia.

Mr. and Mrs. Earl Richey and son, Phil, Independence, were recent guests of his brother, Mr. and Mrs. Marsh Richey, while also visiting Mr. and Mrs. Kenneth Richey and family.

Mr. and Mrs. Hubert Shroat and Timothy were Sunday dinner guests of her parents, Mr. and Mrs. A. W. Wear, Ottoville.

Mrs. H. C. Schrader and Mrs. Wayne Cully were recent visitors of their grandmother, Mrs. E. J. Brubaker, and their aunt, Mrs. Wayne Bledsoe and family, St. Louis.

Mr. and Mrs. Laurence Kimsey had as Sunday dinner guests their son, Mr. and Mrs. Billie Kay Kimsey and sons, Marshall.

Mrs. Porter Wilson is visiting her son-in-law and daughter, Mr. and Mrs. Raymond Daniel and son, Ronnie, St. Louis.

Miss Margaret Foster, Charles Foster, and Mr. and Mrs. Mayo Foster attended the ball game between the New York Yankees and the Kansas City Athletics Thursday night in Kansas City.

Mr. and Mrs. Arthur L. Edwards, Kansas City, were recent guests in the home of his brother, Mr. and Mrs. Riley Edwards.

Mrs. C. O. Fry had as Sunday dinner guests her son, Mr. and Mrs. Clark Fry and sons, David and Glen, Nebo community, and their daughter, Miss Dorothy Fry, Kansas City.

Mr. and Mrs. R. E. Dent, Garden City, were recent visitors of Dr. and Mrs. J. B. Rand on Judith.

Mr. and Mrs. John Burrell and family, Stennett, Tex., are visiting in the home of Mrs. Burrell's brother-in-law and sister, Mr. and Mrs. Jim Moore and family and other relatives.

Those from out of town attending the funeral of V. C. Arnett Sunday were: Mr. and Mrs. John Speed Daniel and son, Jimmy, Topeka, Kan., Mr. and Mrs. Glenwood Daniel, Carthage, Mr. and Mrs. Warren Speed and daughter, Nancy Lee, St. Louis, Mergan E. Hodges, Mokane, Mr. and Mrs. Harold Gibson, Kansas City, Mr. and Mrs. Maurice Starke and Mrs. Poague, Syracuse, Mr. and Mrs. Tom Nelson, Windsor and Mrs. Sam Smith, Kirkwood.

Mrs. Frank Harris left Saturday

FOLK-DANCING QUEEN — Greece's Queen Frederika entertains subjects during royal tour of western Thrace by doing a folk-dance to accompaniment of a local two-man band.

for a visit with her son-in-law and daughter, Mr. and Mrs. Herbert Tivillman, Clinton.

Mr. and Mrs. John Monks and Lois, Tipton, were Sunday afternoon visitors of Mr. and Mrs. Marsh Richey.

Miss Doris Frieling, Columbia, spent the weekend here with her parents, Mr. and Mrs. Harvey Frieling and Brenda.

Alpha Marie Harris, Sedalia, is spending this week here with her grandmother, Mrs. Elizabeth Harris.

Paul Brandes, son of Mr. and Mrs. Carl Brandes, Bunceton, has received his bachelor of science degree in mechanical engineering from the University of Missouri. He will be employed as a research engineer by the Caterpillar Tractor Co., Peoria, Ill. He and his wife will make their home there until he reports for active duty in the Air Force reserve.

Mr. and Mrs. William Spangler had as supper guests Sunday: Mr. and Mrs. Ted Haynes, Eldon, and her daughter, Mrs. Huff and husband, Kansas City, and Mr. and Mrs. Roy Schriels and son, Boonville.

Mrs. Dora Walje and Mr. and Mrs. George Walje Jr. had as supper guests Wednesday evening their son and brother, Mr. and Mrs. Willard Walje and family, Ottoville. The occasion was the birthday anniversary of Mrs. Willard Walje.

Sgt. and Mrs. Norman Nichols arrived in New York on June 6 from Germany and are spending a 30-day furlough here with his parents, Mr. and Mrs. Ed Nichols. They spent Thursday in Boonville with his brother, Mr. and Mrs. Laurence Nichols and son.

Mr. and Mrs. Leonard Gerhardt entertained with a dinner Sunday for the junior class of the Federated Church of which Mrs. Gerhardt is a teacher.

Mr. and Mrs. Lacy Odneal, Donald and Alice, accompanied by Mrs. Grace Spahr and Mrs. Olive Gander, Tipton, were recent dinner guests of Mr. and Mrs. Allen Graham of Independence, and also visited with Mr. and Mrs. Will Spahr.

Mrs. Porter Wilson has returned from a week's visit in St. Louis with her son-in-law and daughter,

Mr. and Mrs. Raymond Daniel and Ronnie.

Mrs. Alice Hunt and her son, Warren Kieth and daughter, Carolyn, and her aunt, Mrs. Ruth Drake, who have been operators of the telephone company here for the past nine years, left Friday for Kansas where Mrs. Hunt will be telephone operator. Mrs. Alma Baughman is operator for the telephone company here. She has two daughters, Gay and Jennie, and a son, Edward.

Mrs. J. W. Walker accompanied her niece, Mrs. Lela Ezra and family, Moberly, to Sedalia Sunday where they visited relatives.

Miss Gladys Stephens and Mrs. William Floyd visited Miss Mildred Douglas, Tipton, on Thursday afternoon.

The following from the Youth Fellowship group of the Federated Church went to Parkville Sunday afternoon to attend the Youth Fellowship meeting at Park College.

They were: Gay and Jennie Baughman, Carol Langendorfer, Elaine Lorenz and Alice Odneal. Rev. and Mrs. William D. Borman took the group to the conference.

Mr. and Mrs. D. T. Layne and granddaughter, Beverly George, spent Monday night with Mr. and Mrs. Warren George and family, Higginsville, and attended the 4-H lamb show. They were accompanied home Tuesday by their grandchildren who are visiting relatives here.

## U.S. Steel Readies First Union Offer

PITTSBURGH (AP)—The U. S. Steel Corp. will present to the CIO United Steelworkers Monday the first answer to the union's demands for a "substantial" wage increase from the basic steel industry.

The company and union agreed yesterday to the resumption of bargaining Monday after a recess that began last week when the USW finished presenting its demands to steel's Big Six, who employ 400,000 of the 600,000 basic steelworkers.

U. S. Steel, traditional pacesetter in labor matters for the industry, has given no indication of how much it will offer in its counterproposal.

USW President David J. McDonald was quoted as saying he expects an offer of a seven and a half cents hourly increase for the steelworkers, who now average \$2.33 an hour.

That, says McDonald, isn't enough. He was quoted as telling union negotiators:

"We are not interested in a nickel and dimes settlement. We want a substantial wage increase."

Besides U. S. Steel, the "Big Six" includes Bethlehem Steel Corp., Republic Steel Corp., Youngstown Sheet & Tube Co., Jones & Laughlin Steel Corp., and Inland Steel Co.

The union will be free to strike at midnight June 30 if no agreement is reached by then. Negotiations are being held under a wage reopener clause of the current two-year contract. Only wages are being discussed.

Industry observers predict agreement on a figure between 12 and 15 cents an hour before the deadline.

## Labor Peace Boosts Prices In Metal Field

NEW YORK (AP)—Labor peace in the auto field is having its first price reaction today in the field of industrial materials.

Some grades of steel scrap have gone up in price because dealers see a good summer ahead for the steel mills, now that one of their big customers is virtually assured of setting a new record for car output this year.

Zinc producers say the same assurance has put the clincher on the price rise in that much-wanted metal.

The price of rubber for future delivery has gone up—partly in response to the labor peace at Detroit, and partly because of the racial and labor disturbances at Singapore.

Tin prices have risen too, with Singapore getting the immediate blame. But here also the belief that the business boom has been given a new lease on life is given some of the credit.

Prosperity prospects are hold-

ing the demand for aluminum high. So today some producers are predicting privately that the price of that metal will rise again this summer.

Copper producers once more are putting farther in the future the date when it could fall from its lofty price perch. They are saying the 36 cents price should hold this summer.

A basic steel price hike apparently is just waiting on a wage settlement with the steelworkers union. Talks are under way, and July 1 is the deadline. A price rise in steel will affect thousands of factories.

For the consumer the reaction, if any, will be delayed. But months from now he will be buying autos or appliances that contain the higher priced steel and other metals.

Factory production chiefs, faced with rising labor and industrial

material costs, will look for corners to cut, devices to save on man hours, substitutes for more costly metals.

And finally the sales executives will try to decide how much of the new and higher costs can be passed along to the consumer in higher retail prices without losing sales to competitors.

It will be a busy summer. And the consumer will know the result next fall.

Chief difference between the new fashions that hark back to the 20's and the actual fashions of the 20's is that the new clothes have shape built in. They don't hang from the shoulders.

## Walks 150 Miles For Testing of Jackass

SPOKANE, Wash. (AP)—Grandma Walker (Mrs. Tom Court) was home today after an experimental, 150-mile walk down the highway from Kennewick, Wash. The idea was to test the stamina of a jackass, Uranium.

Grandma Walker plans to hitch Uranium to a covered wagon for

some pleasure trips to "interesting places." She walked the animal a stretch, tied it up, returned for her car, and repeated the process—for some 10½ days.

Grandma Walker, who admits to being "over 50," came through in fine shape. So did the jackass.
